## RE-TRIAL OF LAND DAMAGE CASE BRINGS \$21,000 AWARD

An Adams County jury Wednesday afternoon decided the Commonwealth of Pennsylvania should pay \$21,000 more in road damages at York Springs than the \$16,000 figure it complained about in the first place.

Taking 35 minutes to reach its verdict, a jury Wednesday decided that reconstruction of roads in the York Springs area for the York Springs bypass caused \$21,000 damage to the property of Kent E. and Doralyn S. Golden, York Springs R. D.

Originally viewers appointed by the court to assess damages caused by the relocation had directed the state pay the Golden \$16,000.

### 2nd Trial Of Appeal

The Commonwealth immediately appealed that decision to the Adams County courts. On October 13, a jury returned a verdict that the state should pay the Golden \$15,864.

In a report of the October trial The Gettysburg Times mentioned that the jury was in session to consider the appeal of the state from the \$16,000 verdict of the viewers. The Commonwealth held that appearance of the newspaper article giving the amount of damages approved by the viewers prejudiced the jury and Judge Dale Shughart agreed, directing a new trial be held. The Times carefully refrained from mentioning the second trial other than to state that the appeal was being held.

### Jury Visited Scene

The jury visited the scene then heard the testimony in Court Room No. 2 in the basement court room. At 2:25 o'clock Wednesday afternoon it came up to the second floor of the court room to be closeted in the jury room to deliberate.

At 3 o'clock it came into the main court room to return its verdict in favor of the Golden in the sum of \$21,000.

Kathryn K. Geiman, Littlestown R. 2, was the foreman for the jury which also included Ruth Lough, East Berlin; John Settle, Seven Stars; Irene Redding, Gettysburg R. 2; Edna Kleppinger, Fairfield; Mae Shryock, Fairfield; Paul Ketterman, 114 Steinwehr Ave.; Anna E. Culp, 369 York St.; Cyril J. Staub, 31 Fourth St.; Dean A. Bucher, 39 E. Water St.; William Knouse, Orrtanna R. 1; and Melvin Reaver, Hampton.

## Gaines Returns From Pa. Clinic

J. Howard Gaines, chairman of the Industrial Development Committee of the Gettysburg Chamber of Commerce, has returned from Harrisburg where he attended the fourth annual Pennsylvania Industrial Development clinic.

During the two-day session speakers, including industrialists who have moved plants into the state, outlined the state's attractive and unattractive features to industry.

Consensus was that Pennsylvania has moved in the last few years from a state with many undesirable features for industry to tops in the U.S. in advantages to industrialists.

## Turtle Turns Up After Fifty Years

Fifty years ago, then young Allen Kane, now of Gettysburg R. 2, captured 50 turtles and on the back of each carved the word "AK 1910."

Wednesday Scotty Hamilton, son of Mr. and Mrs. John Hamilton, who reside near the Lower Marsh Creek Presbyterian, discovered a turtle with the initials and date upon it. It was the fourth, Mr. Kane, reported, to be discovered in the half century.

## Six Soviet MIGs Fired On U.S. Transport Forced Down In East Germany; Released

WIESBADEN, Germany (AP)—The pilot of a U.S. Air Force transport forced down in East Germany last Friday said today that six Soviet MIG jet fighters fired machine-gun bursts to make him land.

Capt. James Lundy of Findlay, Ohio, who was grounded by the Air Force after his return Wednesday, told a news conference:

"There was no indication that we were off course until the MIGs appeared. There was no doubt in my mind but that they wanted us to land."

He added that the plane was not hit by the Soviet machine-gun fire.

Strayed 22 Miles  
The battered old Air Force C47 with eight men and a woman aboard strayed 22 miles into East Germany while on a flight from Copenhagen to Hamburg. The Soviets released the plane and the nine Americans Tuesday but bad weather prevented their flying to the West until Wednesday night.

## Eisenhower To Be Here For Weekend

If President Eisenhower can clear his desk of an accumulation of government business he will fly by copter to his Gettysburg farm sometime today for a long Memorial Day weekend. If he cannot complete his work in time to fly today he will come here Friday morning.

## Boy Fatally Hurt Today In Arendtsville

Kenneth Hartzel, aged 3 1/2, son of Mr. and Mrs. Robert Hartzel, Arendtsville, was fatally injured shortly before noon today in Arendtsville.

The Adams County coroner, Dr. C. G. Crist, said the child died at 12:25 o'clock this afternoon, 45 minutes after the accident which occurred at 11:40 o'clock.

The death was caused by a compound fracture of the skull.

According to Dr. Crist, a truck loaded with logs was driving along E. Main St., Arendtsville, near the east end of the town, when the child darted into the street and ran into the rear wheels of the truck.

Charles G. Boyer, Biglerville, driver of the truck, was enroute with the load of logs from the mountains, near Fairfield, to his plant, the Boyer Wood Products at Biglerville R. 1.

Dr. Crist said the truck apparently was moving very slowly and stopped almost immediately after the child darted into the wheel.

Dr. Raymond Hale, Arendtsville, called to the scene, rushed the child to the Warner Hospital arriving there about ten minutes after the accident occurred.

State police were conducting an investigation at the scene and could not be reached up to press time.

## President Tells Russia "Path Of Reason And Common Sense" Is Still Open For A Summit Conference To Safeguard Peace

By JOHN M. HIGHTOWER  
WASHINGTON (AP) — The United States bombarded the Soviet Union today with a broad-based appeal from President Eisenhower to forget the failure of the Paris summit conference and join in "business like dealings" for East-West peace.

"The path of reason and common sense is still open if the Soviets will but use it," Eisenhower declared Wednesday night in a radio-television broadcast from the White House.

Translations of the speech, carried throughout the world by the Voice of America, were being beamed to the Soviet Union today in 22 separate broadcasts in seven languages spoken in that area.

Will Continue Conferences  
Eisenhower asserted his intention to seek improved relations with the Soviet Union "despite our recent disappointment" and said specifically that the United States will continue to take part in conferences at Geneva on dis-

## Russia Faces Defeat In U. N.

UNITED NATIONS, N. Y. (AP) — The U. N. Security Council is expected to reject the Soviet resolution condemning U. S. spy flights late this afternoon after a closing exchange between Soviet Foreign Minister Andrei Gromyko and U. S. Delegate Henry Cabot Lodge.

With a vote of 7-2 or 8-2 against the resolution in prospect, there was speculation the Soviets might withdraw it before a ballot.

Only Poland and the Soviet Union said they would vote for the resolution. Ceylon was planning to abstain, and Tunisia was expected either to abstain or vote against it. The seven other council members had said they would vote "no."

Gromyko promised a one-hour speech. Lodge planned a 15-minute reply.

## VERDICT NEAR IN DAMAGE SUIT OVER FATALITY

The verdict in the final case before the current term of civil court is scheduled to be received by the Adams County court this afternoon. The jury began its deliberations at 11:20 this morning and went to lunch at 12:30 p.m.

The trial is a portion of the actions in trespass arising from an auto accident February 8, 1957, at the intersection of the Cash-town-Arendtsville Rd. and the new Lincoln Highway in which Dwight L. Strausbaugh, late of Orrtanna R. D., was fatally injured.

As a result of the accident, John L. and Kathleen S. Fitz, Orrtanna R. D., owners of the car being driven by Mr. Strausbaugh; the Gettysburg National Bank as executor of the estate of Mr. Strausbaugh; and for the benefit of Charlotte W. Strausbaugh, the widow, and Dwight L. Strausbaugh Jr. and Kathleen S. Fitz, children of Dwight Strausbaugh, brought suit against Cleveland L. Fleishman, driver, and Dixie Plywood Co. of Washington, D. C., owners of the truck involved in the crash.

The case was originally in federal court where a number of the claims and counterclaims were settled.

The specific case being decided by the jury in Adams County is the counterclaim brought by Dixie Plywood Co. against The Gettysburg National Bank as executor of the will of Dwight Strausbaugh.

According to testimony in court Wednesday, the accident occurred as the Strausbaugh car was entering the Lincoln Highway, headed south while the truck was on the Lincoln Highway traveling west. Following the accident, the truck continued on for 300 feet and crashed into the side of a concrete block building. The Strausbaugh car was spun around and Mr. Strausbaugh was thrown from the auto and landed partly under a truck driven by Robert Oyler, Gettysburg, which had halted in the center lane, headed east, preparatory to making a turn.

### HOLIDAY AT PO

Postmaster Jacob G. Appler announced today that regular holiday schedule will be observed Monday, Memorial Day, at the local post office. There will not be any rural or city delivery or window service. The lobby of the federal building will be open from 9 a.m. to 5 p.m. Mails will be dispatched and special delivery matter handled.

## MAN'S NECK IS BROKEN WHEN 2 CARS CRASH

Clifford Kennedy, 22, of 7 Hanover St., suffered a broken neck that left him completely paralyzed when a car in which he was a passenger collided with another vehicle about three miles north of Littlestown on the Gettysburg Rd. Wednesday evening at 6:35 o'clock.

Kennedy was a passenger in the right rear seat of an auto operated by Patricia A. Althoff, 17, 9 Hanover St., and was one of five persons injured in the crash.

Patricia Althoff suffered lacerations of both knees. Francis Althoff, 22, 9 Hanover St., owner of the car, suffered lacerations of the chin. Mary Kennedy, 20, 7 Hanover St., had bruises of the left leg.

### Taken To Hospital

W. H. Dixon, 76, of 40 W. King St., Littlestown, driver of the other car involved, suffered multiple fractures of the left ribs and a fractured left collar bone.

All of the injured were removed to the Warner Hospital in the Littlestown and Gettysburg Fire Department ambulances.

State police said the accident occurred when Dixon, who had been parked on the east berm of the highway, pulled into the path of the northbound Althoff car, intending to make a U turn to return to Littlestown. Damage was \$1,100 to the Althoff car and \$300 to the Dixon vehicle.

### Crash On Taneytown Rd.

The accident was one of two investigated Tuesday evening by state police. At 5:50 o'clock they were called 1.3 miles south of here on the Taneytown Road where two autos collided, causing \$800 damage. Police said Frederick Swisher, 56, Gettysburg R. 1, pulled out of the parking lot at McGlaughlin's Grocery, planning to drive across the road to his home and pulled into the path of a car driven by Carroll Eugene Selby, 29, Taneytown R. 2. No one was injured.

## SQUARE DANCE ROUNDUP HERE ON SATURDAY

A square dance roundup, proceeds from which will go to the Gettysburg Subleague of the Woman's League of Gettysburg College, will be held Saturday afternoon and evening in the Student Union Building of the college.

Several outstanding square dance callers will participate including Curley Custer, Hagerstown, who will be the master of ceremonies; Milt Neidinger and Danny Miller, also of Hagerstown; Stan Miller, Washington; Tom Hoffman, Harrisburg; Lee Billow, Bill Scholl and Fred Bell. Neidinger was one of the organizers of the host club, "The Gettysburg Cannonade."

A square dance workshop will be held between 2 and 5 p.m. and two new round dances will be featured "Mountain Greenery" and "Siesta in Seville." All of the callers will appear for the afternoon and evening sessions.

Admission will be \$4 per couple. The evening program starts at 7:30. The charge will be 50c for spectators.

The subleague anticipates the roundup will become an annual affair.

## PARTY NIGHT NETS \$2,000

More than \$2,000 was netted at the "Party Night" held by Adams County Democrats Wednesday evening in the New Oxford fire hall. The crowd was far beyond expectations, Clyde Garber, chairman of arrangements, said this morning. "We were unable to seat the entire crowd. A good many had to stand. It was a very gratifying and successful party in every way," he added.

Fred G. Klunk, chairman of the county committee, presided and introduced the speakers and guests.

Two candidates spoke, William Shuman, Franklin County Democratic candidate for state senator, and Dale Eugene Clark, Bendersville, candidate for the General Assembly.

In opening the "party" Klunk urged his audience to "get out and work for the entire ticket and keep on working until the votes are counted."

Ray Llewellyn, Harrisburg hypnotist, entertained for more than an hour including putting several volunteers under his hypnotic power.

Refreshments were served

# Heavy Death Toll In Chile; New Tremors

By THOMAS J. STONE

SANTIAGO, Chile (AP)—No respite appeared in sight today for southern Chile, wrecked by five days of continuing earthquakes, tidal waves, avalanches and volcanic eruptions.

The official death toll so far was 2,829 dead or missing, 2 million—a fourth of the nation's population—homeless and 300 million dollars property damage. And the count was mounting steadily.

The U. S. Air Force joined in flying relief through the smoke billowing from volcanoes.

**Topography Changed**  
With countless communities still cut off and the upheavals of nature continuing, officials could not even predict the final toll. Low-lying coasts and rain hampered aerial rescue operations. Smoke and ash from volcanoes hung over much of the southern part of the mountainous land.

The Interior Ministry listed the known dead at 1,706 and 1,123 missing and presumed dead.

The face of the country itself was altered by the disturbances which began Saturday. Three new earth tremors were reported Wednesday. Tidal waves up to 15 feet high still pounded along 750 miles of the southern coast. Many islands along the coast could not be reached for word of their inhabitants.

In Cañon Province the earth's surface dropped as much as 1,000 feet over a 25-mile stretch. Two new lakes formed in the Andes near Lake Rinihue. Avalanches filled valleys with stone and earth.

## Thrush Speaks To Exchange Club

Attorney John D. Thrush spoke on the importance of each person making a will at the meeting of the Exchange Club Tuesday evening at the Lamp Post Tea Room.

Thrush told the members that while the state's Wills Acts and Regulations attempt to "divide a man's personal and real estate in an equitable manner, it is far more satisfying for all parties concerned if the individual has made his own will and testament."

President Crosby N. Hartzell announced there will not be a meeting of the Exchange next week because of the Memorial Day weekend.

## DEATHS

**Theodore C. Fair**  
Theodore C. Fair, 89, died early Wednesday in the Carlisle Hospital. He was a retired merchant in Dillsburg and member of the Monaghan Presbyterian Church, Dillsburg.

Mr. Fair was a member of St. John's Lodge, No. 270, F. and A.M., Carlisle, and the Harrisburg Consistory.  
Surviving are his wife, Mrs. Lottie Spahr Fair; two sons, Ted S., Philadelphia, and J. Robert Fair, York Springs R. 2; a daughter, Mrs. Carl E. Snyder, Mt. Holly Springs; five grandchildren, and two great-grandchildren.

Funeral services Saturday at 2 p.m. at the Cacklin Funeral Home in Dillsburg. The Rev. Russell M. Weer, pastor of the Carlisle First Presbyterian Church, will officiate, assisted by the Rev. William T. Swaim, a former Dillsburg pastor. Burial in Dillsburg Cemetery. Friends may call at the funeral home Friday after 7 p.m. Masonic services will be held at 8 p.m.

**Mrs. Hobbs Buried**  
Funeral services were held from St. Joseph's Catholic Church, Emmitsburg, Wednesday morning for Mrs. Martha Frances Hobbs, 89, Emmitsburg, who died last Saturday. The Rev. Fr. James Twomey officiated and interment was made in the church cemetery.  
The pallbearers were Michael, Joseph, Ben, Charles Jr., John and Francis Hobbs.

## Memorial Services At Harney Church

The annual memorial services will be held at the Harney EUB Church on Sunday evening. There will be a short service in the Sunrise Cemetery at 7 p.m.

The main service will be at the church at 7:30 p.m. with Claude O. Meckley, Hanover, as the speaker. The choir of the St. James United Church of Christ and Mr. and Mrs. David Reifsnider, Taneytown, will sing gospel songs of the church. The public is invited. The Rev. Arthur W. Garvin is the pastor of the church.

## Completes Course At Jump School

**The Music Department of Gettysburg College** held a dinner in honor of Mr. and Mrs. Parker B. Wagnild at Hoffman's Restaurant in Westminster. The dinner was in observance of Prof. Wagnild's 25th year of directing the choir. Sixteen members of the music faculty were present. Henry Ackley of the music department was master of ceremonies and informal tributes were offered by various members of the faculty. Mrs. Wagnild was presented with flowers and Prof. Wagnild was given a present.

**IN DEEP WATER**  
LONG BEACH, Calif. (AP)—John Richard Merit, one of the FBI's 10 most wanted men, got into deeper water than he bargained for when he enrolled in a diving school.

He was 50 feet under Wednesday, in a diving suit, when police boarded the barge he was diving from and ordered him hauled up.

Merit, 28, was wanted for a robbery in Atlanta, Ga.

**LOS ANGELES (AP)**—A judge said he would call the Finch-Tregoff murder case today, but nobody—the judge included—appeared to know exactly what would happen after that.

The situation was left up in the air Wednesday after the California Supreme Court ruled that Carole Tregoff is entitled to a hearing on her request for a new judge at her second murder trial.

Superior Judge LeRoy Dawson, who was assigned the trial, said: "I'm going to call the case and see what kind of motions are presented."  
Miss Tregoff, 23, and her lover, 43-year-old Dr. R. Bernard Finch, are accused of murder in the shooting of the doctor's wife Barbara last July 18.

## 30 GIVE BLOOD HERE TUESDAY

A bloodmobile unit from the University of Pennsylvania Tuesday morning received 30 pints of blood in two hours in the Christ Lutheran Church basement to replace blood given Donald Leer, York Springs, a surgical patient at the University of Pennsylvania Hospital in Philadelphia.

Those who reported as donors included Doris Miller, Shirley Cordero, Gladys Shearer, Betty Carol King, Nellie G. Harbold, Roy A. Weaver, Doris H. Shook, Mary Elizabeth Hikes, Paul R. Waybright, Roy C. Linquist, Francis M. Coulson, Ralph L. Hikes, Evelyn Hikes Waybright, John L. Hinkle, Emma E. Kemper, Donald C. King, Clyde L. Kennedy, Raymond F. Leer, Harry W. Guise, Anthony C. Helman, R. B. Hollingsworth, Wilbur H. Waybright, William F. Lehman, James C. Behney, Joel F. Griest, Herman B. Leer, Louise W. Hikes, John C. Frederick, Joan M. Musselman, Blanche C. Harris, George C. Hikes, Mark A. Heiney, David C. Metzger and Melvin F. Mentzer.

Red Cross nurses' aides who helped included Mrs. Ira Henderson, Mrs. Robert Waybright, Mrs. John Eisenhower, Mrs. LeRoy Winebrenner, Mrs. Selmar W. Hess, Mrs. Charles W. Jacobs, Radford H. Lippy and Dr. Robert W. Koons, host pastor, helped with arrangements at the church and Mrs. Peggy P. Hill and Miss Jeanne E. Bucher of the Red Cross office thanked Gettysburg Shoe Company employees who volunteered as donors. The Rev. Norman Bortner, York Springs, and Paul J. Reaver, Gettysburg R. 2, helped recruit donors.

## Plan Entertainment At Alumni Dance

A special entertainment program is being prepared for intermission at the annual alumni dance Friday evening at the Gettysburg High School following the annual alumni association banquet. The dance is open to alumni and their guests as well as the members of the graduating class. The banquet is restricted to high school grads.

Mr. Guyon E. Buehler is chairman of the committee on arrangements for the 10 p.m. program at the dance. Music will be provided by the Music Men of Gettysburg High School.

Approximately 400 graduates are expected to attend the annual banquet when reunion classes will bring greetings and annual awards will be presented. Past President Eugene Hartman will be toastmaster. The banquet is scheduled for 6:30 p.m.

## BLAZE NEARS ARCTIC TOWN

FAIRBANKS, Alaska (AP)—A forest fire raging in the midst of a sizzling heat wave threatened Wednesday night to destroy a village just above the Arctic Circle.

The blaze was stopped a mere half a mile from Ft. Yukon by more than 100 fire fighters, including all able-bodied men in the Indian village of 600.

Fred Varney, fire control officer for the Bureau of Land Management at Ft. Yukon, said the village was no longer in danger but the fire was still not controlled.

The mercury rose to 89 degrees in Fairbanks Wednesday for the second straight day, continuing a nine-day heat wave unparalleled for this time of year.

Varney said the fire was apparently man-caused in the tinder-dry forest. It broke out two days ago and spread through more than 3,500 acres of trees and brush.

Ft. Yukon is about 125 miles northeast of Fairbanks on the Yukon River.

## MURDER TRIAL IS UNCERTAIN

LOS ANGELES (AP)—A judge said he would call the Finch-Tregoff murder case today, but nobody—the judge included—appeared to know exactly what would happen after that.

The situation was left up in the air Wednesday after the California Supreme Court ruled that Carole Tregoff is entitled to a hearing on her request for a new judge at her second murder trial.

Superior Judge LeRoy Dawson, who was assigned the trial, said: "I'm going to call the case and see what kind of motions are presented."

Miss Tregoff, 23, and her lover, 43-year-old Dr. R. Bernard Finch, are accused of murder in the shooting of the doctor's wife Barbara last July 18.

Miss Tregoff's attorneys have asked that Dawson be disqualified under a law permitting "each party in an action" one challenge of a judge. Finch's attorneys challenged one judge in the first trial, which ended with the jury deadlocked.

# HOLD PARADE ON SATURDAY

Cemetery memorial rites and a parade will be included in the community Memorial Day celebration at East Berlin on Saturday under the sponsorship of the Richard J. Gross VFW.

Forming on West King St. at 5 p.m., the parade will march east on that street, south on Abbotts-town St., west on Locust St., and north on Fourth St. to the cemetery.

Besides a VFW auxiliary float, the parade is to include Bermudian Springs Jointure band, firemen, borough councilmen, VFW post and auxiliary members, Boy Scouts, Cub Scouts, Brownie Scouts and Girl Scouts.

Speaker for the 6 p.m. service at East Berlin Cemetery will be Rev. Carlton Howells, pastor of the Lutheran congregation of Holtzschwamm Union Church.

Rev. William Anderman, pastor of Zwingli United Church of Christ, will conduct the opening and Rev. Harold Stoudt, pastor of Trinity Lutheran Church, will pronounce the benediction. The VFW firing squad will give the military salute to the war dead and members of the ladies' auxiliary will assist in decorating veterans' graves.

David Krout will be parade marshal, Russell Fissell will be in charge of marching units, Gene Swartz is program chairman, and other committee members are Richard Smyser, Lloyd Chronister and Charles Spangler.

## ALC DISTRICT

(Continued From Page 1)  
uary 1, 1961, will have more than 2,500 members.

**To Adopt Resolutions**  
The main business of the meeting of the ALC delegates will be to adopt special resolutions to close out the old Eastern District. At a fellowship dinner Tuesday evening appropriate sentiments will be expressed to the pastors and delegates of those congregations in Ohio which will be transferred from the Eastern District into the Ohio District of the new American Lutheran Church.

On Wednesday the constituting convention of the Eastern District of the American Lutheran Church will be called to order by the Rev. Dr. Frederick A. Schlotz, who was elected first president of TALC in April. After the formal organization of the Eastern District, a president will be elected.

Newly elected officials of TALC boards will address the convention. Dr. Raymond M. Olsen, director of stewardship, will discuss the stewardship opportunities for the new church during the second business session. Dr. Philip S. Dydvig, of the American Missions Board, will discuss the opportunities for development of the mission program.

The new district will be composed of 193 former ALC congregations, 43 former ELC congregations, and 10 former UELC congregations. The office and parsonage of the district will be in Washington, D. C., using the present facilities and property of the ALC. A budget of \$62,750 has been proposed for 1961.

The district of TALC extends from Maine to Florida and from the east coast to Ohio.

## HARNEY AUXILIARY GUESTS AT CASHTOWN

The Ladies' Auxiliary of the Harney Fire Co. was entertained at a covered dish supper by the Ladies' Auxiliary of the Cashtown Fire Co. Monday evening at the Cashtown community hall. There were 60 members of the Cashtown auxiliary, two guests and 25 members of the Harney auxiliary present.

Mrs. Paul Musselman gave the invocation. The president, Mrs. Corvan Bryan, opened the meeting with remarks about Memorial Day and a reading, "My Angel Mother." Devotions were conducted by Mrs. Paul Musselman, followed by the pledge to the flag, "The National Anthem," and group singing of "America the Beautiful." Mrs. Francis McClear accompanied at the piano. Group singing of "M-O-T-H-E-R" was led by Mrs. Bruce Wetzel. It was announced that donations for the bargain table at the Adams County Home Visitation Day, June 25, are to be given to Mrs. Edna Kuhn before 8 a.m. on June 25. A poem, "Mother's Poem" was read by Mrs. Dale Bream, and Mrs. Bruce Wetzel gave readings, "Mothers-in-law" and "Mother's Tools." Mrs. Olive Brewbaker of the Cashtown auxiliary and Mrs. Marie Reaver of the Harney auxiliary won door prizes. The guess box, donated by Mrs. Dora Settle and Mrs. Anna Starry, was won by Mrs. Mary Biesecker and Mrs. Sara Kint.

"Happy Birthday" was sung to two ladies from Harney and Mrs. Clyde Wilson, Mrs. Paul Irvin, Mrs. Patrick Irvin, Mrs. Mary Biesecker, Mrs. Mary Schuyler and Miss Mae Wetzel. Geraniums were given to the following: Cashtown, oldest mother, Mrs. Gertrude Riggall; youngest mother, Mrs. Patrick Irvin, and mother with most children, Mrs. Mary Schuyler; Harney, oldest mother, Mrs. Sara Almoney, and youngest mother, Mrs. Dora Slaybaugh. A harmonica solo was presented by Mrs. Mildred Newell and a piano duet, "Tales of the Vienna Woods," was given by Mrs. Sara Early and Mrs. Louise Kane. A skit, "Gab and Gossip," was given by Mrs. Mary Deardorff, Mrs. Francis Sharrar and Miss Roberta Bittinger. Mrs. Sara Early sang three songs, "Without a Song," "Smiling Through" and "Vienna My City of Dreams." She was accompanied by Mrs. Louise Kane. Group singing, "Goodnight Ladies," closed the program. The next meeting will be held on June 27 at 8 p.m. at the same place.

**The Menallen Twp. Advisory Council** of the Pennsylvania Farmer's Association met at the home of Mr. and Mrs. Paul Pitzer, Biglerville R. 1, on Saturday evening. The group discussed the "Poultry Stabilization Act" which, if passed, would limit a farmer on poultry purchases and products. The act would limit a farmer to 200 laying hens with a stabilized price for his eggs. The group felt that this would encourage every farmer to raise his 200 quota and thereby flood the market with more poultry products than we now have. They agreed that this law, if passed, would be "undemocratic and contrary to the American way of life since many farmers depend entirely on poultry for their livelihood."

Also discussed was "What Kind of Wheat Program." The group felt that the law of supply and demand rather than government control would relieve the wheat situation and that the best way to dispose of wheat is to feed it to stock since the American people are eating all they want and wheat exports are as high as they will probably go.

**Mr. and Mrs. William Coradetti** and sons, Billy and Joe, Biglerville R. 1, and Miss Joyce Kendlehart, Gettysburg, visited Saturday with Midshipman Ronald Koontz at the U.S. Naval Academy, Annapolis, Md.

## AUXILIARY OF CWV WILL FETE VETS AT PICNIC

The Auxiliary of the Catholic War Veterans Post at Bonneauville, voted to entertain the veterans at Cherry Point Hospital June 29 at a picnic at the post home, at a meeting of the group Tuesday evening at Bonneauville.

The group voted to cast their vote at the CWV convention to permit delegates to cast ballots as a bloc for all delegates from the local auxiliary to the convention.

A \$10 donation was made to the Bonneauville Fire Company to help defray the cost of a fence to be constructed around the fire company-owned pond in Bonneauville. Decision to place the fence came after a two-year-old child strayed into the pond several weeks ago.

Mrs. Helen Hawn, first vice president, reported purchase of a statue to be given in the name of the auxiliary to the eighth grade student with the highest average in spelling at the eighth grade commencement exercises to be held by St. Joseph's Parochial School, Bonneauville, June 5.

**May 30 Observance**  
The auxiliary voted to have a mass said for the teaching Sisters at Bonneauville in appreciation for their cooperation during the year and to have a mass said for the pastor, Rev. R. Louis W. Forging, in observance of the 16th anniversary of his ordination.

Arrangements were made for attendance at mass and participation in the cemetery exercises by the auxiliary on May 30 as the Bonneauville observance of Memorial Day.

Mrs. Alice Snyder, York, president of the 16th District CWV Auxiliary, spoke on details of the

## FEWER FARM WORKERS WERE HIRED IN 1959

The Gettysburg office of the Pennsylvania State Employment Service report from statistics obtained from statewide source that there were between 8 and 9 percent fewer hired workers employed during the peak seasonal agricultural harvest season in 1959 than were utilized in 1958. This decline was attributed to increased mechanization.

Despite the downward trend in seasonal hiring, the local office of the PSES, as well as other state last year assisted more growers to obtain workers and fully placed in farm jobs than has been experience to date. The PSES reports that this success was not accomplished alone, but has been a co-ordinated co-operative effort of growers, workers, and PSES farm placement representatives working together to solve problems peculiar to agricultural labor.

In addition to assisting agriculture meet its labor needs, the PSES was successful in recruiting additional workers for practically all of the county food processing plants.

**Ask Early Contracts**  
The PSES states that the 1959 record achievement was due largely to better use of labor, especially local labor. A number of day haul programs were operated for much longer periods in 1959 providing more continuous employment for many seasonal agricultural workers. Local labor utilization has been the past policy in recruiting seasonal farm workers and will continue in 1960, with out-of-area workers augmenting local labor forces as deficiencies arise.

Local seasonal and year around farm workers are urged by Ronald K. Baltzley, the local farm placement representative attached to the Pennsylvania State Employment Service office, 39 West St., to contact him about permanent farm jobs as well as fruit

forthcoming convention here. The president, Mrs. Elizabeth Clabaugh, announced Mrs. Viola Kuhn and Mrs. Frannie Weaver as the committee to arrange for a wiener roast following the next meeting June 28.

## Girl Scout News

The Intermediate Girl Scout Troop 42 met Wednesday in the Christ Lutheran Church and handed in requirements to complete their metal badge. The girls then went to Mrs. Nichols' office to practice for the capping ceremony Friday. On May 20-22 the girls went "primitive camping" and on the 22nd were presented the badges which they earned during the last year. The leaders were Mrs. Paul Newman and Mrs. Ralph Bream.

picking and other harvest work.

It is also requested that farmers contact Baltzley about labor request as soon as the apparent need is established. Personal contacts can be arranged. Early seasonal planning for labor better assures enough help at the right place and time to prevent losses due to labor shortages, Baltzley said.

**TWENTY YEARS AGO**  
High School Commencement  
Paeant To Trace County's History; Class Is Largest: Gettysburg high school will graduate the largest class in its history at annual commencement exercises to be held June 3. There are approximately 118 boys and girls in the class.

**I.O.O.F. Buys Lodge Home:**  
The Hall association of Gettysburg No. 124 of the Independent Order of Odd Fellows of Gettysburg announced today it has purchased from the Elks club of Gettysburg the former Elks home on Chambersburg street near center square.

**Three Girls Win Medals Offered By Legion Unit:** Annual presentation of the American Legion Auxiliary awards took place at exercises today at the Lincoln school. The award winners were Elyse McCleaf, daughter of Mr. and Mrs. William McCleaf, West Middle street, and Shirley Ann Larkin, daughter of Professor and Mrs. George R. Larkin, North Stratton street. The third annual award went to Mary Elizabeth Small a member of the graduating class at the Gettysburg parochial school. She is the daughter of Mr. and Mrs. Jacob Small, Baltimore street.

**Albert Rose Is President Of Bigler FFA:** Albert Rose was elected the new president of the Apple City Chapter of the Future Farmers of America at a regular meeting Tuesday. He will serve for one year as the successor of Donald Wenk, retiring president.

**"White Church" To Mark 50th Anniversary Sunday:** Special morning and evening services on Sunday will mark the fiftieth anniversary of the erection of St. Mark's Reformed church, better known as the "White Church," along the Gettysburg-Littlestown highway.

**52 Co-eds Will Enter College:** Fifty-two girls, representing six states, the District of Columbia, and two foreign countries, have been accepted to fill the quota of the class of 1944 at Gettysburg college. Dr. Charles H. Huber, director of the Women's division of the college, has announced.

**Monument At Mount To Mark Church's Site:** Emmitsburg, Md. (AP)—Plans for the erection of an eighty foot monument at the site of the Old Church on the Hill, at Mount St. Mary's college, were announced by school officials. The historic Catholic edifice, which was constructed by the Rev. John DuBois in 1805, was destroyed by fire in 1914. It was the landmark of Mount St. Mary's and was the house of worship for residents of both Emmitsburg and the nearby Thurmont section.

**Today's Talk**

KEEP IN THE CENTER OF THINGS

Go to any place where activity seems to boil, and you will note the most activity is in the center where all onlookers get as soon as possible. The interest is greatest there. In our active life a fact is learned. Most things happen in the center of things. Even a dog fight! By keeping in the center of events we are made capable to think out things as we may wish.

All great newspapers display the most important news in their most heavily read section. There are those who like to associate with the famous folk, but that in itself is unimportant. We are no bigger than we do. Mere fame is a tricky affair. It is flimsy in so many places. We should, however, keep in the center of things where there may be something important shaping its way. We can make life interesting. Into it we pour so much of us all! Into the center of things is where the greatest things happen. There isn't much interest in the sidelines. Get into that center—and learn! The hero travels alone all too soon. History, however, is kind to the genuinely great.

Tomorrow Mr. Adams will talk on the subject: "Be A Contributor"

**Just Folks**

**CONSOLATION**  
Friends pause to speak of you  
With voices hushed and low.  
Down many a cheek you knew  
The tears of sorrow flow.  
And had you been a king,  
Ruler of all this earth,  
No tribute could they bring  
Better to prove your worth.

Friends pause to speak your praise;  
Your paths they fondly trace,  
And tread familiar ways.  
Missing your smiling face,  
The old scenes keep you here,  
Although your soul has flown;  
And you, year after year,  
Shall live with those you've known.

None but the selfish dies;  
Naught but the hateful ends.  
The perfect souls arise  
Immortal by their friends.  
And in the years to be  
You still shall live on earth  
Within the memory  
Of those who knew your worth.

About Tomorrow? Vocation criteria were cited. He cautioned parents not to force their children into doing what they want them to do, noting that Robert Louis Stevenson's father wanted him to be a lighthouse builder because he was an architect. Haydn was slated to be a wheelwright and Woolsey's father was a butcher and wanted his son to follow his footsteps, but all chose their own careers of literature, music and politics.

**Need Ability, Opportunity**  
He cited next the importance of aptitudes. "It is not just enough to like something, one needs the ability to do it and do it well. In our world we need an aristocracy, which in its proper definition is not the opposite of democracy but the opposite of mediocrity. Emerson says when a man does one thing well, even though he builds his house in the middle of the woods, the world will beat a path way to his door," the speaker said.

The third criteria was "Opportunity." "We are of no worth unless we can seize the opportunity as it comes to us. Success depends on our sailing safely into the goal which we have charted for ourselves.

The commencement program for which the theme was "The Flame Grows Brighter," began with the processional march of faculty, school board and seniors, to "Pomp and Circumstance," Elgar, accompanied by an instrumental ensemble. The invocation was given by the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ; salutatory address: clarinet solo "Adagio Tarantella" by Paul E. Plitt, accompanied by Donna J. Rabenstein; valedictory, Darlene Markle; address by Dr. Weber; class song, words by Marietta Weikert, Ruby A. Myers and Mary L. Sullivan, accompanied by Darlene M. Dehoff.

**Announcement Honors**  
The presentation of the class gift to the school was made by Freddie L. Dutterer, president of the class of 1960. The gift was accepted by Paul E. King, supervising principal. The class gave a lecture and chairs for the new high school.

MUNICH, Germany (PIO)—Miss Elizabeth Weaver, daughter of Major and Mrs. Maurice S. Weaver, 103 W. Broadway, has been announced as one of the Munich winners of the "Know Your Neighbor" essay contest for high school students in the U.S. Army European Command.

Miss Weaver, who is currently attending the Munich American Dependents School and whose father is stationed in the Munich area, won with a composition on the life of Robert Koch.

The contest is sponsored by the U.S. Army and Air Force in Europe for the purpose of influencing mutual respect and understanding between American communities and their European neighbors. In Germany, high school students were invited to write an essay about one of the following famous men: Johann Wolfgang von Goethe, Robert Koch, Friedrich Schiller, Carl Schurz and Ludwig van Beethoven.

Miss Weaver's composition and the other Munich finalists will be forwarded to Headquarters, U.S. Army Europe, for final judging. The finalists will be presented awards in Bonn by a high official of the Bonn government.

Col. J. J. McCauley is shown presenting the award to Miss Weaver.

**Littlestown Town Council Okays Public Meeting On Use Of Old School Building**

Littlestown borough council will support a public meeting to determine use of the E. King St. School building purchased by the town, according to action taken by the council at its meeting Tuesday evening at the office of the secretary, 32 N. Queen St., Littlestown.

Discussion on use of the former school structure came after the building committee reported "it was understood" that the Littlestown school district had accepted the borough's bid of \$5,000 for the structure. A purchase agreement, it was reported, had been executed by Council President Robert J. Stoner, attested by Borough Secretary Roger J. Keefer and by officials of the Littlestown School District "or the school authority." Council reported however that it had not as yet received a copy of the agreement and thus was "at a loss to know whether the bid was actually accepted."

**Go Along On C. C. Plan**  
The secretary was instructed to inquire whether the bid was accepted formally and obtain the duplicate of the purchase agreement in order that settlement could be made. Councilmen said

The exhortation of the graduates was given by Professor King. The program concluded with the benediction by the Rev. Mr. Flinchbaugh.

on of the following lamp" and say an additional cost of \$1.90 per year to cover the cost of the additional line footage.

Council rebelled until it was ascertained that there would be no additional charge and the resolution as passed stated that "whereas the company desires to change the location of the following amps," council would give its authorization to the move.

**To Ordain Patrick Ave.**  
Approval was given also to the plans of the Metropolitan Edison Company to install the new high tension power transmission lines into the borough.

Plans to ordain Patrick Ave. from its present terminus to W. King St. and to construct the street were outlined by council. The borough engineer is to draft an ordinance for the new street and present it to council for adoption.

A report was received from Al-bright and Friel, Inc., Philadelphia, consulting engineers for the Littlestown Borough Authority. The engineering firm had been asked to present cost estimates for systems to provide water to the borough in the event of electric power failure. The report showed a one-million-gallon elevated tank could be built at a cost of \$185,450, or a million-gallon reservoir on an elevation could be constructed at a cost of \$90,000 to provide water by gravity in event of power failure. Or a 60-kilowatt diesel generator could be purchased for \$6,325 to provide power as an alternate in event of power failure.

**To Check With C-D**  
Council agreed neither it nor the authority could construct an elevated tank or a new reservoir without floating another bond issue. And council expressed belief a 60-kilowatt diesel generator would be too small for the largest pump now used to pump water.

Since the problem is to provide water during emergencies, council will learn if matching funds can be secured through Civil Defense for purchase of a generator which council believes should be at least 100-kilowatt power. The water committee was asked to investigate.

Council voted to install a street light between Newark and E. Myrtle Sts. on Maple Ave. and directed a resolution be drawn for that purpose.

**Issue Building Permits**  
Councilman Howard O. Myers reported the state marshal has explained the law relative to what can be done about the dwelling located at 28 Lumber St. The borough solicitor was directed to send proper notice to the owner of the property to correct the situation at the dwelling and if the correction is not made "the same will be declared a public nuisance and further steps taken legally."

Building permits were granted the following: Robert H. Thomas, 50 W. King St., to paint and repair a two-story frame dwelling at 431 S. Queen St.; William F. Pfaff, 36 S. Queen St., to construct brick facing on his present brick building at that address; Vernon C. Reaver, S. Queen St., to place a new metal roof on a two-story brick dwelling for Charles E. Ritter, 107 S. Queen St.; Vernon C. Reaver, to repair sidewalk, side porch and place an ornamental railing for William K. Ebaugh, 343 S. Queen St.; Leroy B. Gordon, to replace front porch and roof at 121 W. King St.; Roscoe S. Bowers, to paint front portion of a two-story frame dwelling for Mrs. Emma B. White, 321 S. Queen St.; Ralph V. Bowers, 139 Boyer St., to cement cellar and make alterations and repairs for apartment purposes to the property at 102 Boyer St.; Edwood D. W. Harner, 108 Cemetery St., to construct a driveway at property located at 527-529 E. King St.; Charles M. Frock, 263 M St., to replace cement sidewalk and replace metal roof on the garage; J. Alan Gelwicks, Emmitsburg, to paint front porch and make general repairs to two-story frame building at 122-124 M St.

Fred C. Sentz, 22 Newark St., to remove one-story cement block garage.

Lundy said he landed his plane in a "sod" field about 15 miles north of the East German town of Grevesmuhlen.

"I don't know whether it was pasture or a cropped field," he continued. "I'm afraid I'm not a farmer."

As soon as the plane bumped over the field and came to a stop, Lundy went on, the five crewmen and four passengers jumped out and waited in an adjoining field for about five minutes, until East German police arrived.

## Glenn L. Bream, Lions Clubs Are Ready For Little League Season

(Final in a series of articles on the six Little League teams in Gettysburg.)

The only Little League team to capture the championship three times is Bob Signor's Glenn L. Bream Yankees. The garagement took the crown twice in the initial years of the league and came back strong last season to top the highly competitive field including the powerful Lions squad.

Signor, assisted by Tony Delzengaro, will have eight players returning to defend their title with the help of seven newcomers acquired through the pre-season auction. From the list of veterans will be Charles Raffensperger, a versatile, hard-slugging catcher, pitcher and second baseman. Ron Redding, a consistent hitter and an excellent outfielder with a strong arm, will also be on hand with Mike Herring, a top-notch pitcher and infielder and John Heiser, who can handle the backstop position when Raffensperger pitches. Heiser will also be used to fill in at second.

Donald McCans, one of the most improved players, will take care of the shortstop assignment. McCans has also proven to be a threat at the plate. Phil Asper, Dan Brown and Steve Miller will form the nucleus for this year's outfield. All three are capable hitters and can handle their own in the pastures.

Gary Keitholtz was the only outfielder picked up in the early spring. He will give the team a tremendous punch as a long ball hitter. Thomas Mowery, another distance slugger, will be used in the infield and also pitch, catch and play in the outfield when needed. The Bream men will have a pair of fine first basemen in Marshall Himes and Tom Spahr. Spahr, a consistent hitter, will take over at first backed by Himes, a small but dangerous man at the plate.

Mike Spahr, brother of Tom, is a good infielder who can play any position well. He will give the squad added strength, particularly behind the plate. Brad Stahl and Bill Coston round out the list of newcomers. Stahl is being groomed to handle shortstop while Coston will move into second base. Both players can maneuver well and have shown fine ability at the plate.

**Lions Squad**  
The Lions entry in the Little League has never won a title, but have battled right down to the wire four times since the start of the league back in 1952. This year the Lions have completely revamped their squad from the coaching staff right down to the last nine-year-old.

Roland Kime, who helped coach the team in its early beginning, has taken over as manager and will be assisted by Art Pfeil. The Lions lost six outstanding players from last season's team and will begin rebuilding with a young ball club.

Ron Newman, a shortstop last year, will be moved to first base. He is small but has a good reach and an excellent batting eye. He is also the team spark-plug and field general. Randy Pfeil and George Weikert, a pair of rookies, have been assigned the second base slot and will alternate throughout the season. James

## GOOD HITTING HELPS GIANTS

PHILADELPHIA (AP) — San Francisco's steady, effective pitching has shot the Giants into a one-game lead in the National League, but their big hitting guns are booming again and they're moving to pad the lead over Pittsburgh.

"The big guns have tied into a couple and we might be off now," Manager Bill Rigney said Wednesday night after the Giants defeated Philadelphia 5-1, getting 12 hits to back Mike McCormick's five-hit job.

The victory, No. 6 against only two defeats for the 21-year-old McCormick, hoisted the Giants into a full game lead as Pittsburgh lost 5-1 to Los Angeles.

**Hitting Picks Up**  
"If we can keep going, we'll be in good shape," Rigney said. "Our starting pitchers have been going very good and we've bounced back and picked up a little in our hitting."

On the current road trip the Giants are 4-4, having taken two in a row from the Phillies. Sam Jones blanked the Phillies 4-0 Tuesday night with a four-hit whitewash job.

Willie Kirkland, almost the forgotten slugger among the Giants, was the hitting star Wednesday night, belting his seventh homer — his first since May 17 — and getting a double and single to drive in three runs. He hiked his average from .281 to .297.

Willie McCovey also got two singles, pushing his average from .280 to .289.

Ritchie, who was used primarily as an outfielder a year ago will be moved to shortstop. He has a strong arm and can maneuver well. Veteran Pete Nelson will handle third base when not pitching and will be backed by newcomer, Terry Helwig.

Rounding out the infield, Bill Deal, a husky 12-year-old, will be the No. One receiver and will be helped by Dave Eden. Both boys can hit the long ball and are capable of coming through with the clutch hits. Daniel and David Bream, along with veteran Mike Baker, will hold down the outfield positions. Baker has a good arm and is a consistent hitter while the Breams have the potential of clouting long drives. Dan Bream can also work at first base while brother Dave will give added support to the pitching staff.

Steve Fidler is a good hitter and will probably be used in the outfield along with Willis Musselman, another improved player who has developed a fine batting eye. Tom Newman is a versatile player, working at any position well. He will probably be used to fill in when one of the regular pitchers takes a turn on the mound. Jerry Sanders, acquired just this week, will give the team another potential long ball threat and plays in the outfield.

## ARCHIE MOORE SCORES TKO IN TENTH ROUND

Associated Press Sports Writer  
INDIANAPOLIS (AP) — Old Archie Moore (437) still has the punch, but the punch must go, before he defends his light heavyweight title against Erich Schoppner of Germany next July 18.

Moore, carrying a billowy 206½ pounds, Wednesday night scored a tenth-round technical knockout over Willi Besmanoff of Milwaukee in a nationally-televised heavyweight bout in the Indiana State Fairgrounds Coliseum.

The 175-pound king from San Diego, Calif., was dropped to one knee by a right-hand blast from Besmanoff in the second round.

**Had Bloody Nose**  
Moore went to work, dropped Besmanoff for a mandatory eight-count in the fifth and then really wrecked the plucky German with a right which caught Besmanoff flush on the back and decked him near the end of the ninth.

Besmanoff's nose was bleeding profusely over everybody in the ring in the 10th round, and Referee Frank Gilmer, chairman of the Illinois State Athletic Commission, called it quits at 1:32.

Promoter Jack Fugazy of New York disclosed after the bout that Moore would defend his 175-pound crown against Schoppner on July 18, a Monday night. The site, he said, would be announced within a few days.

All three officials had Moore well ahead through nine rounds. Gilmer's vote was 43-37, while Judges Tony Coppi and Kelse McClure had Archie in front, 43-38, the same as the AP card.

**SPRINTS MAY DECIDE MEET**

NEW YORK (AP)—The sprints may be the deciding events in the expected four-day battle for team honors in ICA4A outdoor track and field championships at Villanova this Friday and Saturday.

All four of the leading contenders, Penn State's defenders, Yale, Manhattan and Villanova, are counting heavily on their speed merchants to collect points, according to a check of the entry list today.

Villanova has entered sophomores Frank Budd and Paul Drayton in the 100 and 220-yard dashes; Penn State is depending heavily on Bob Brown, winner of the 100 and third in the 220 last year; Yale is relying on Steve Snyder and Dave Bain in both races, and Manhattan's chances rest with John Fernandez in both sprints.

The coaches believe 25 to 30 points may take the title. Penn State won with 46½ last year.

## DICK HAWKINS IS SIGNED BY PHILADELPHIA

Richard Hawkins, Spring Grove, Gettysburg College's ace left-handed hurler for the past three years, signed a contract with the Philadelphia Phillies of the National Baseball League, Tuesday afternoon for an undisclosed salary, it was announced today by college officials.

Hawkins was signed to a Williamsport, Eastern League contract, by "Dutch" Dorman, Phillies' scout. He will report to that team at Allentown on Saturday but is expected to be assigned to another league.

The York County native was one of the main pillars in Coach Bob Hulton's pitching staff. During his three years at Gettysburg he posted a 13-5 record. Over the past two seasons he struck out 152 batters, walked 73 and gave up 68 hits in the 109 innings he tossed. He has a collegiate earned run average of 2.56.

**Pitched No-hitter**  
Hawkins' outstanding performance came in 1958 when he advanced the Bullets into the finals of the NCAA small college tournament in Springfield, Mass., by tossing a no-hit, no-run game to defeat St. Lawrence 2-0.

He has always been a constant threat at the plate, winning many of his own games on clutch singles. In the 1958 playoffs he singled and tripled driving in one of the two runs. Throughout his college career he has collected 15 hits for 56 trips to the plate for an average of .268.

Hawkins will graduate from Gettysburg College on June 5 when he will receive a Bachelor of Science degree in physical education.

Here's one for the baseball historians to think about.

Ever hear of 17 batters coming to the plate in one inning and only one of them hitting the ball.

No kidding, it happened Wednesday night as Springfield defeated Allentown 9-4. The oddity stole the spotlight from the fact that Springfield ran its winning streak to nine in a row and pushed its Eastern League lead to 4½ games.

Springfield took a 3-2 lead in the unusual rain-soaked first inning and never lost it. There were 10 walks in the inning, Allentown getting four and Springfield six. Six batters struck out. Rain fell intermittently during the inning, causing the ball to become wet, which may have accounted for the walks.

In the only other action Reading defeated Binghamton 4-2 in the opener of a doubleheader but the Triplets came back to take the nightcap by the same score.

INDIANAPOLIS (AP)—Jimmy Daywalt of Indianapolis, who qualified the Bryant Heating Special for the 500-mile race at the Indianapolis Motor Speedway, said Wednesday night he will not drive in the race Monday.

Speedway veterans could recall no previous resignation of a driver after qualification.

Daywalt announced his decision after getting only 137.5 miles an hour out of the car in carburetion tests. He said the Bryant crew had moved weight around so much in the car that its setup had been changed completely.

## Midget Auto Races At Williams Grove

WILLIAMS GROVE, Pa. — Jim Shaffer looks to the "long haul" to improve his chances for a victory when he returns for the 100-lap "Little Indianapolis" for the 100-cubic inch Offenhausers (formerly the midgets) Sunday afternoon on the Williams Grove Speedway.

The New Castle midgeteer will be back for another crack at getting in the win column in his yellow No. 77 along with at least 35 other top-flight speed stars expected for the running of the Memorial Day weekend classic to be staged on the half-mile oval.

Shaffer will be the pre-race favorite of fans along with Gig Stephens, North Reading, Mass., winner on May 15; Len Duncan, Philadelphia, the 1959 ARDC champion; Bobby Marshall, Yerkess, Pa.; Bert Brooks, New Britain, Conn.; Jiggs Peters, Plainfield, N. J.; Ernie McCoy, Reading, and a host of other chauffeurs.

## PAR-BUSTING GOLF TOURNEY IS FORECAST

By JERRY LISKA  
Associated Press Sports Writer

INDIANAPOLIS (AP)—The professional golfers themselves will be off to the races in an expected par-busting Open tournament starting at the Speedway Golf Club today.

Cracked Jack Burke, one of the better known pros in a field of 150: "A 270 (14 under par) will win this thing, four rounds like 68-67-68-67."

Probably the only thing that will prevent the potential field from ripping par completely to shreds is a tall stand of thick grass on the fairways and greens of the 35-36-71 par layout which dips and ducks 6,005 yards in and out of the Speedway race track.

Meet sponsors promised to snip the growth before the opening round of the 72-hole medal play meet which carries a top prize of \$9,000.

**Fire Sub-70 Rounds**  
On the first two of the course, more than a score of pros have shot sub-70 rounds, including a 66 by Mike Souchak in Tuesday's pro-am search round.

Wednesday, National Open champion Billy Casper and Joe Campbell, former Purdue athletic star who probably knows this course better than any entry, each shot 67 practice rounds.

Doug Ford and Stan Leonard each fired 68's.

The Festival Open was inaugurated this year as a sideshow to the Memorial Day 500-mile auto race Monday. The Speedway course is probably the only layout in the world cut in half by a race track.

## MARTIN SAYS SHORTWAY'S PLANS MOVING

By BILL GIBSON  
HARRISBURG (AP)—Planning and construction of the Keystone Shortway is off to a good start and moving along quite well, state Highways Secretary Park H. Martin said today.

But Martin again stated that it would take at least 10 or 12 years to complete the 300-mile east-west superhighway from Sharon to Stroudsburg.

"It can't be built any quicker," he said in an interview.

**Takes \$30 Million**

Using simple arithmetic, the secretary said, it is easy to see that it would take an expenditure of 30 million dollars per year to finish the 300-million-dollar project in 10 years.

"And right now there's not that kind of money coming out of the federal interstate program," he added.

Martin pointed out that Pennsylvania's share of money from the interstate program was cut from some 101 millions to 71 millions last year.

**Ten Per Cent From State**

The money pays 90 per cent of the costs of planning and construction. The other 10 per cent is provided by the state.

"We can't just make a fair-haired boy out of one road," Martin explained. "We have to spread the available money over the Annapolis Expressway, the Erie-to-Pittsburgh Freeway and other interstate projects."

The department is giving priority to sections of the Shortway that will get the most use and do the most immediate good.

**Two Lanes At A Time**

In order to speed connection of the various sections, Martin said, the department is considering building the shortway as a two-lane road in some areas where the amount of traffic does not demand four lanes. The other two lanes would be added later.

Traffic and feasibility studies of the cross-state route were authorized by the 1955 Legislature. The shortway was accepted as part of the interstate system and construction was recommended two years later.

C. E. Noyes, executive director of the Keystone Shortway Assn., said the road was needed in a hurry and the association would not be satisfied until it is completed.

**Serves Depressed Areas**

Noyes said that 16 of the state's 22 depressed areas will be served by the Shortway and the route will be a great economic benefit.

Martin admitted the improved transportation provided by the Shortway would be helpful in the fight to get new industry. But, he added:

"Any good road has an effect but it is not the sole factor industry looks at."

"Personally I think it is overplayed. They have to a selling job on the other factors too."

## 4,000 PERSONS ARE STRANDED

TOKYO (AP)—U.S. military boats and helicopters rushed relief to 4,000 persons stranded on Yagaji Island off Okinawa today as the Far East cleaned up after the tidal waves exploded by the Chilean earthquakes.

Walloping waves washed away the lone bridge connecting Yagaji with the main island of Okinawa and the isolated residents were left short of food and without drinking water.

The Philippine News Service reported 16 dead in the wake of the tidal waves that battered the eastern Philippine coast Monday night and Tuesday.

It was the first report of deaths in the Philippines, which previously had reported only property damage.

Japanese police, reckoning the toll of the savage tides, estimated property damage at 60 million dollars and listed 99 dead, 46 missing, 856 injured and 167,147 homeless.

## BOARD PROBES SHIPS' CRASH

NORFOLK, Va. (AP)—A Navy Board of Inquiry had before it today the question of why the mighty aircraft carrier Saratoga and a West German ore ship collided in clear weather off the Virginia coast early Wednesday.

There were no injuries or casualties among the 35-man crew of the merchantman, the Bernd Leonhardt, or the 2,400 men and 160 officers on the Saratoga. The left sides of both vessels were damaged extensively.

The 60,000-ton carrier, one of the world's largest, was due to enter the Norfolk Navy shipyard today for repairs which a survey team estimated would take two weeks. The survey team declined to give a dollar estimate of damage.

Naval spokesmen said there was no immediate explanation of the cause of the collision.

## DENIES WRONG USE OF FUNDS

HARRISBURG (AP)—A Bucks County School Board official denies that tax funds were improperly used in a court battle to raise the assessment of a steel plant.

Officials of the Falls Twp. School Board outlined their position at a meeting Wednesday with Atty. Gen. Anne X. Alpern. She said a full report would be made when the officials submit written statements about the questioned expenditures.

Aud. Gen. Charles C. Smith had questioned the legality of advance payments totaling \$67,500 to solicitor T. Sidney Cadwallader II in the effort to raise the assessment of the Fairless Plant of U. S. Steel Corp. Smith demanded that Cadwallader return unspent funds to the district.

Cadwallader told Miss Alpern unspent legal funds, amounting to \$39,256, already have been returned. He added that every expenditure has been fully supported with canceled checks and vouchers.

## Says America's Outlook Gloomy In Distance Races At '60 Summer Olympics

(Editors — The following story was written exclusively for The Associated Press by Larry Snyder, Ohio State and Olympic track coach, on America's prospects in the 1960 Olympics at Rome.)

By LARRY SNYDER  
COLUMBUS, Ohio (AP)—America's outlook in the distance races at the 1960 Olympics is a gloomy one.

America has won four of the last six 400-meter races, but prospects in Rome are not too brilliant. Three West Indians took the top medals in the 1959-Pan-American Games. All three are attending college in the United States, but they'll represent their home lands in the Olympics.

Top man of this small group of greats is George Kerr, the 400 and 800-meter specialist from U. of Illinois and Jamaica. He won the 400-meter, anchored the 1,600-meter relay, and finished second to Tom Murphy of New York in the 800-meter in the Pan-Am Games.

Tryouts in July  
Our representatives will be named in the July 1-2 tryouts at Palo Alto, Calif., but they must match the standards of 47.3 for the 400, and 1:49.2 for the 800.

Dave Mills of Purdue, Jack Yerman of California, Eddie Southern of Austin, Tex., and Delos Dodds of Kansas were our best a year ago in the 400-meter. Glenn Davis of Columbus, who holds the quarter-mile record of 45.7, is a threat in both the 400-meter run and hurdles.

In the 800-meter, only Murphy was listed in the top 10 internationally last year. In April Ernie Cunliff of Stanford ran a brilliant 1:47.3, and later qualified in the mile. Bob Tague of Kansas caught Kerr from 10 yards back in the Drake Relays, and a week later eight half-milers in California were under 1:51.

Top U.S. Milers  
Top USA milers include Jim Grelle of Portland, Ore.; Ed Meran of James City, Pa.; Archie San Romani Jr., of Wichita, Kan.; Jim Bowers of Illinois, and Don Bowden. Others yet to reach their peak may work into the picture.

The steeplechase—3,000 meters of it—is not one of our specialties. Horace Ashenfelter of Penn State upset the Russian world in 1952 with his great victory, but this is Russia's event since it has five men in the top 10 ranking.

Phil Coleman of Champaign, Ill., and Deacon Jones of Coffeyville, Kan., have been our best for several years.

The Olympic standard in the 10,000 meter is lower than our national record. Only Bill Dellinger of Oxnard, Calif., and Max Truex of Warsaw, Ind., have bettered the 5,000-meter standard.

Others rated among our top distance men are Lew Stieglitz, of Hartford, Conn.; Bob Soth of Long Beach, Calif.; Miles Eisenman of Tahachapi, Calif.; Bud Edelen of Minneapolis, Jim Beatty of North Carolina, and Paul Whiteley of Emporia, Kan.

We haven't scored an Olympic marathon point in recent years. John Keely of Groton, Conn., Alex Breckenridge of the Marine Corps and Gordon McKenzie of New York will be our representatives.

## URGES STEEL TO WAGE FIGHT AGAINST ALL COMPETITION

NEW YORK (AP)—The president of United States Steel Corp. today advised the steel industry to wage a head-on battle against competition.

This competition is coming not only from foreign steel but from competitive materials, Leslie B. Worthington said.

Speaking at a meeting of the American Iron and Steel Institute, he said:

"Foreign competition is likely to be with us from now on. It may hurt a little less one year than another but it won't go away like a bad dream.

**To Be Under Pressure**  
"It will make it self felt in more and more steel products. We will be under pressure from more and more foreign producers."

Worthington said the industry can meet this competition by "selling much harder those things that the foreign producer cannot offer—service, quality and availability."

He said the best way to fight the inroads of other materials is to "establish and maintain contact with customers beyond the purchasing agents—with design groups, engineering departments, research organizations, even with styling studios; in fact, everyone who has something to do with the purchase of steel."

**Problems Need Attention**  
Benjamin F. Fairless, president of the institute discussing problems of the industry, said the most urgent would be solved if the steel companies would concentrate on:

Working with employees, their unions and the public in an effort to achieve lasting industrial peace; Increasing productive efficiency; Intensifying the research program for developing new steels and new processes and opening of new markets;

Maintaining leadership in every area of competition;

Expanding export markets and developing new export opportunities;

Stepping up efforts in public relations, promotion and advertising to insure greater appreciation of steel's use and value and its contributions to the economy.

## Loving County Is Losing Residents

MENTONE, Tex. (AP) — If you're looking for a place where you can really get away from it all try Loving County in West Texas.

Preliminary census figures show the county has a population of 226, one less than a decade ago.

In 1950 it had the least population of any county in the United States. It has 647 square miles of area and nine farms with an average area of 30,929 acres each.

## Writes Poetry At His Murder Trial

PITTSBURGH (AP) — Charles Ross, charged with beating a man to death, writes poetry at his murder trial.

His latest lines were titled "Not Guilty." The poem concludes with these words to the jury:

"I'm certain you'll agree  
"I've had enough upsets of late  
"Without your trying to cremate  
"A guy that's 'not guilty'"

## Uses Bathroom To Catch Sleep

CINCINNATI, Ohio (AP) — Firemen made a run to a rooming house Wednesday.

A woman living there said another tenant had entered the bathroom several hours before and never came out.

A fireman forced open the bathroom and found James Mabres, 40, sleeping there peacefully.

## SCHOOL BILL BACKERS FACE HOUSE BATTLE

By JOHN BECKLER  
WASHINGTON (AP) — Sponsors of a 975 million dollar school construction bill face a battle in the House today from both friends and foes of federal aid to public schools.

The determined opponents, mainly Republicans and Southern Democrats, are expected to join forces in an attempt to throttle the bill.

The ardent supporters could achieve the same result by building it up until it is practically certain to draw a presidential veto.

**Carefully Tailored**  
Rep. Frank Thompson Jr. (D-NJ), author of the bill, told the House frankly in the opening of debate Wednesday that it had been carefully tailored to attract the maximum number of votes and the least risk of a veto.

The threat of a veto was raised anew, however, by Arthur S. Flemming, Secretary of Health, Education and Welfare. Following a White House conference Flemming released a letter to Rep. Carroll D. Kearns (R-Pa.) hinting strongly at a veto unless the bill is altered.

He said the administration insisted on making states match all federal funds and allocating a proportionately greater share of the money to poorer states. The Thompson bill would authorize outright grants the first year and require matching funds for the final two years of the three-year program. Allocations to states are based on the number of school age children, regardless of the needs of individual states.

Voting on both proposals was expected today.

## BINGO FOR CASH IS SHUT DOWN

PITTSBURGH (AP) — Safety Director Louis Rosenberg has ordered the closing of all bingo games that offer cash prizes.

He said Wednesday the award of cash prizes at the games violates state law.

Games operated by churches, charitable organizations and veterans groups will not be permitted in Pittsburgh if cash prizes are awarded, he added.

"I am not a legislator," Rosenberg said. "I am a law enforcement officer. I shall enforce the law as I am required by oath to do."

Rosenberg said no organized complaints or attacks will change his mind.

## U. S. Treatment Pleases Russian

ATLANTIC CITY, N.J. (AP) — Soviet seaman Ivan Baluk leaves today, grateful for the American medical care that nursed him back to good health.

The Soviet trawler Masalsk, fishing offshore, got permission to return to pick up its 26-year-old crewman, the Coast Guard said. The trawler brought Baluk here last weekend after he became ill at sea.

Doctors pronounced the ruddy-faced Kaliningrad seafarer recovered Wednesday from his sickness, an upper respiratory infection complicated by adverse reaction to sulfa drugs administered at sea.

The trawler, with its crew of 26 men and two women, docked here Saturday through Monday, attracting great attention. Although the trawler was south of the normal fishing waters, a State Department search turned up nothing suspicious.

## KNIGHTS ELECT H. C. HARTLINE

ALTOONA, Pa. (AP) — Harrison C. Hartline of Erie is the new commander of the Grand Commandery of Knights Templar of Pennsylvania.

Named Wednesday, he succeeds Harry F. Hostetler of Lewistown.

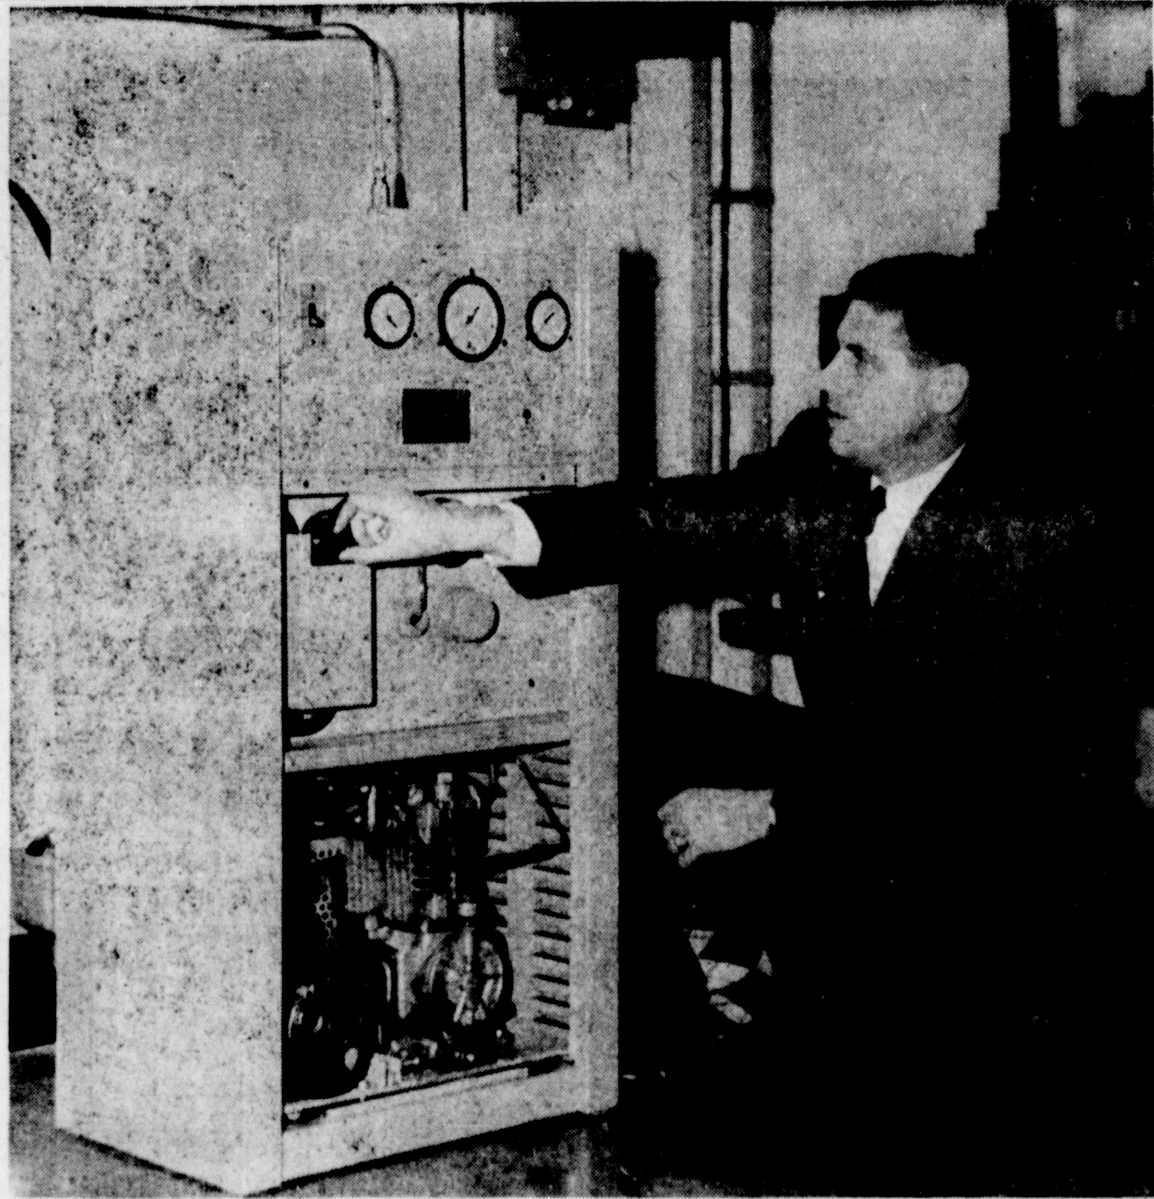

Other officers elected at the 107th annual convocation included:

Perry L. Labarr, Pittsburgh, deputy commander; John B. Cottrell Jr., Media, generalissimo; Paul C. Rodenhauer, Columbia, captain-general; S. Parson Kempler, Jr., Milton, senior warden; S. Blair Speneberger, Altoona, junior warden; John W. Laird, Philadelphia, recorder, and Raymond F. Hessman, Pittsburgh, treasurer.

Named trustees were Charles E. Tull, Philadelphia; G. Alvin Dyson, Abington, and David J. Godschall, Landsdale.

PITTSBURGH (AP) — Frank Howard, Los Angeles' 240-pound rookie, has ended his first series in Pittsburgh with a bang — one that fell about 15 feet in base ball.

The 6-foot-7 outfielder blasted a ball over Forbes Field's left field wall Wednesday night and it landed about 550 feet from the plate. The second-inning homer was a solo shot that helped defeat the Pirates 5-1.

One hundred miles of Gettysburg telephone service cables have been placed under dehydrated air pressure, a measure designed to prevent service interruptions due to moisture. John E. Caldwell (above), Gettysburg District manager for United Telephone Company, reported that the entire Gettysburg telephone cable network had been pressurized.

Under the new system recently completed, dry air is forced into the telephone cables and a special compressor maintains constant pressure, which keeps water from entering the cable, even when the sheath is damaged externally. The air pressure system serves a secondary purpose in that it permits technicians to detect and pin point damage to the cable network.

Caldwell is shown checking the air pressure.

## Woman Attorney Fined By Court

PITTSBURGH (AP) — A woman attorney is \$25 poorer after her second conflict with a judge.

Miss Blanche Levy was fined that much on a contempt of court charge Wednesday by Judge Homer S. Brown of Allegheny County Criminal Court.

Judge Brown ordered a deputy sheriff to bring Miss Levy to the courtroom after she failed to appear as defense counsel in a paternity suit.

Last Feb. 11 Judge Brown ordered Miss Levy ejected from a courtroom when she repeatedly objected to questions asked her client.

## Russians Jam Ike's Broadcast

WASHINGTON (AP) — The White House said today "it is obvious the Russian leaders did not have the courage to let the Russian people hear the President's speech."

James C. Hagerty, press secretary, made that statement in reporting all-out Soviet jamming of broadcasts of the address in which President Eisenhower reported on the failure of the Paris summit conference. Hagerty had made an advance appeal to the Soviet leaders to let their people hear the U.S. account.

## Church Group Opposes Gambling

BUCK HILL FALLS, Pa. (AP) — The Lutheran Ministerium of Pennsylvania is opposed to legislation allowing gambling.

The ministerium at its convention Wednesday asked its officers to urge Gov. Lawrence and the State Legislature to prohibit legalized gambling. It also asked Lutheran pastors not to raise church funds with gambling games.

Ruth Grigg Horting, state secretary of public welfare, told the convention adequate health and welfare could never be rendered with public welfare funds alone.

Mrs. Horting also asked that the Pennsylvania residence law be

## News Briefs

PARAMUS, N.J. (AP) — It would be impossible for an enemy spy plane to sneak over the North Pole and take photographs of America, say Air Defense Command officials.

The officials, in charge of the U. S. Distant Early Warning (DEW line) system of radar stations in the Far North, made the comment Wednesday at the end of a two-day meeting to discuss the system in light of the U2 spy plane incident.

WASHINGTON (AP) — All Christmas season mail would be stamped by postal officials with the legend "Keep Christ in Christmas" under a bill proposed today by Sen. Thomas J. Dodd (D-Conn.).

WASHINGTON (AP) — The first of the new marble columns was to be set in place today on the Capitol's revamped east front.

The 24 white columns will replace the original sandstone shafts. Each weighs 18 tons.

WASHINGTON (AP) — The Senate Commerce Committee has decided to hold brief public hearings on a bill to ban the serving of liquor on airlines.

WASHINGTON (AP) — Rep. Wright Patman (D-Tex.) proposed that the president be authorized to raise or lower income tax rates up to 10 per cent.

WASHINGTON (AP) — The Senate Commerce Committee has decided to undertake a special study of commuter problems in metropolitan areas.

TAIPEI, Formosa (AP) — The Chinese Communists Wednesday subjected the Quemoy Islands to the heaviest shelling in three months—172 rounds. It was the roughest day for the Nationalist-held offshore islands since Jan. 25, when 242 rounds were fired.

Peiping radio claimed a U.S. warship intruded into Communist China's territorial waters Wednesday in the Tungyin area of Fukien province opposite Formosa.

ROME (AP) — Pope John XXIII today proclaimed the sainthood of Gregorio Cardinal Barbarigo, 17th Century Italian bishop of Bergamo and Padua noted for his reorganization of ecclesiastical studies and seminaries.

VIENNA, Austria (AP) — Vienna's independent Kronenzeitung reported under a banner headline today that "Adolf" Eichmann was abducted from Argentina in an Israeli U-boat.

The arrest of Eichmann, wanted in connection with the extermination of European Jews in the Nazi days, was reported in Jerusalem Monday by Israeli Prime Minister David Ben-Gurion. He did not specify where Eichmann had been taken into custody.

SEOUL, Korea (AP) — America's top soldier in Korea warned today the South Korean army, the largest in non-Communist Asia, is threatened by internal dissension in its officer corps.

Gen. Carter Magruder, the U.N. commander, called for new unity in the army, which he described as "one of the greatest forces for stability, for law and order in Korea."

changed to let persons qualify for public aid before having lived in the state a year.

The ministerium approved ordination of 18 ministers in eastern Pennsylvania.

Fever-root is a purgative herb of the honeysuckle family.

## POPULATION OF PENNA. NOT UP TO FORECASTS

PITTSBURGH (AP) — Pennsylvania's 1960 population won't come anywhere near pre-census expectations if early census totals are an indication.

Figures for 45 out of the state's 67 counties show a slight decrease in population in the past 10 years. The total of the 45 counties was given as 4,203,446 — a decrease of 22,144.

Before the census was taken, Edgar Bryan, in charge of the census throughout most of the state, predicted an eight per cent increase.

**Movement To Suburbs**  
The results so far, Bryan emphasized, are only preliminary figures subject to revision. He said the final total is more likely to increase than go the other way. "But not much," he added.

The biggest decrease has been in cities, Bryan said, adding: "The movement of the people to the suburbs is really noticeable. This is part of a national trend that has been going on for a while now."

**Increase In Erie**  
Pittsburgh's population will decrease, Bryan said, but he doesn't have any information about Philadelphia. Drops have been recorded in Altoona, Scranton, York and Wilkes-Barre.

An exception to the trend is Erie, which recorded an increase in population of more than 4,000 to 134,827.

## CONTRACTS ON SHORTWAY TO BE GIVEN

HARRISBURG (AP)—Contracts may be awarded later this year for part of the Keystone Shortway between White Deer, Union County and Berwick, the State Highways Department said today.

Contracts for final designs also may be let within the year for the section of the Shortway from Sharon to near the Clarion-Jefferson County line.

Progress on planning and construction of the East-West superhighway from Sharon to Stroudsburg divides the route into 11 sections.

**Study Alternate Route**  
Location studies, the first step, have been completed on all sections except the one in central Pennsylvania between Clearfield and White Deer.

The location studies include the examination of alternate routes to fix the approximate line.

Preliminary engineering—fixing the exact route, estimating costs and locating ramps, interchanges and service roads—is under way on three other sections.

One section has been completed, two others are under construction and final designs (working drawings) are being prepared on the other four.

He has also been president of the Metropolitan Club, vice president of the Sons of Erin, business manager of the college year book, and sports editor of The Mountain Echo, campus paper.

He is one of 74 graduating Seniors who will continue graduate or professional studies next year. Thirteen Mountaineers have been awarded fellowships.

## TIDAL WAVE REPORT FALSE

HONOLULU (AP) — A sudden tidal wave alert sent Hawaiians to high ground for more than two anxious hours Wednesday and residents of Hilo, already shattered by Monday's giant waves, almost panicked.

But all was calm by midafternoon when a wave expected by way of Christmas Island failed to materialize. Christmas Island, 1,000 miles south of the Hawaiian chain, is on the path from the tremor-torn Chilean coast.

Residents of Hilo, still searching for bodies in the debris from Monday's disastrous wave, fled low areas by foot, auto and any other available transportation.

Residents returned to their homes after the all clear.

In Hilo they returned to the task of assessing their Monday toll: 43 dead, 53 injured and at least 15 missing.

A brief alert was signaled on the California coast Wednesday coincident with the one in Hawaii but no tidal wave developed.

## REPORT COSTS OF ELECTIONS

HARRISBURG (AP)—A report filed with the State Elections Bureau Wednesday showed Judge Blair F. Gunther of Superior Court spent \$815 in his primary election campaign for re-nomination.

Gunther ran on both party tickets, but was nominated only by the Republicans. Judge Gerald Flood of Philadelphia won the Democratic nomination and will oppose Gunther in the November election.

Other election expense reports filed:

Dauphin County Democrats—received contributions of \$22,884 and spent \$13,531.

Franklin County Republicans—received contributions of \$8,570 and spent \$7,246.

Snyder County Republicans—received \$1,444 and spent \$1,167.

Lancaster County Republicans—received \$8,649 and spent \$7,377.

## TALK ABOUT MARKETING

The Adams County Extension Long Range Marketing Committee met Tuesday evening at the home of Donald Horst in Biglerville to discuss "Marketing Orders And Agreements."

Thomas Piper, extension area marketing agent, explained that marketing agreements and orders are not new. Many states use them and in Pennsylvania a federal milk marketing order operates in the Philadelphia milk shed. There are "possibly 60 to 70 other areas" in the United States operating under federal milk orders, he said.

A number of states are using marketing orders for vegetables and fruit. Piper said New York state enacted a state marketing order for apples in 1957. This was in operation last marketing season. California was the first state to use marketing orders in 1933.

Piper explained that it is possible to have either federal marketing agreements or orders as well as state marketing agreements and orders. In order to use a state marketing agreement or order it is necessary to pass enabling legislation setting up the procedure under which the order or agreement operates.

Marketing agreements and orders are a self-help program which producers may use to better market their products, Piper said. "Marketing orders cannot control production or set prices. However, they can regulate grade, they can be set up to collect money for promotion and they can collect money for research. A marketing order can be terminated or amended by a vote of 50 per cent of the producers voting. Enabling legislation was introduced into the state legislature this year but died in committee.

Following a lengthy discussion by the committee the meeting adjourned setting up another meeting for the last week of June.

## The POWER of FAITH by Howard Brodie

"Thou shalt love thy neighbor as thyself:  
A simple compassionate act of Southern women softened the scars of the Civil War and inspired Memorial Day. Two years after the war, women of Columbus, Miss., strewed flowers on the graves of Confederate and Union dead alike. "As the news of this touching tribute flashed over the North," said Chauncey M. Depew, "it roused, as nothing else would have done, national amity and love and allayed sectional animosity and passion. Thus out of sorrows common alike to North and South came this beautiful custom." Their tenderness inspired Francis Miles Finch to compose his credo of the Day, The Blue and the Gray:

"No more shall the war cry rever,  
Or the winding rivers be red,  
They banish our angers forever  
When they laurel the graves of our dead! . . ."

Mr. and Mrs. William Somerville, Baltimore, visited with Mr. and Mrs. Charles B. Shorb and family on Sunday.

Intermediate Girl Scout Troop 91 went on a hike to Kump's Dam on Saturday. They were accompanied by their leaders, Mrs. John Chatlos and Mrs. Robert Myers.

The eighth grade students at Mother Seton school made the annual class trip to Washington on Monday.

Mr. and Mrs. James Long, Rocky Ridge, were dinner guests on Sunday of Mr. and Mrs. Eugene Rosensteel, Frailey Rd.

Invitations have been issued to the marriage of Miss Harriet Roberta Fite, daughter of Mr. and Mrs. Robert G. Fite, to Kenneth Fred Glass, son of Mr. and Mrs. Roy Glass, all of Emmitsburg, on June 11 at 2 p.m. in St. Anthony's Catholic Church.

The harbor in Naples has a depth of 30 to 35 feet.

## MORE NEGROES TO JOIN WHITES

LITTLE ROCK, Ark. (AP) — Eight Negro junior high school students have been selected to attend integrated high schools here next year.

Their assignment by the local school board apparently means that a total of 13 Negroes will attend Central and Hall high schools. About 2,300 white students and eight Negroes attend the two schools this year. Three of the Negroes will graduate.

Leaders of the National Assn. for the Advancement of Colored People said they expect other Negro students who sought admission to Central, Hall or still-white Technical High to ask for reassignment under state pupil placement laws.

The board used the federal court-approved placement laws, which do not mention race in making the selections.

## SAYS 4 CITY COLLEGES ARE NEEDED NOW

HARRISBURG (AP) — At least four community colleges offering two-year courses should be established immediately in Pennsylvania, says the president of Penn State University.

Dr. Eric A. Walker, stressed the urgency of his appeal in two appearances Wednesday before the higher education task force of Gov. Lawrence's Committee on Education.

He was joined by representatives of three education and service groups in calling for quick action to provide for the growing number seeking admission to colleges and universities.

"Missing The Boat"

"Pennsylvania is missing the boat on junior colleges and on graduate programs," Walker said. "There are so many students in Pennsylvania who could contribute so much with some kind of post high school education, students who are not suited for baccalaureate-type education."

A Lawrence administration bill to establish community colleges died in the 1959 session of the Legislature. The governor's special study committee will make recommendations on education to the 1961 Legislature.

Walker suggested community colleges be set up immediately in the Quakertown area of Bucks County, the Allison Park district north of Pittsburgh, at Penn State's McKeesport extension center and at West Chester and Cheyney State Colleges in Chester County. He said he considered the

## Israeli Fires On 4 Egyptian Planes

TEL AVIV, Israel (AP)—Israeli fighters today shot down an Egyptian army plane near the Israeli-Egyptian border, an Israeli army spokesman announced.

The official statement said four Egyptian MIGs from the northern Sinai Desert crossed the Israeli border but were intercepted by two Israeli planes which opened fire.

One MIG was hit and was seen falling apart, the spokesman said.

The Egyptian planes were intercepted after they had penetrated nearly two miles into Israeli airspace over the southern Negev Desert, the spokesman said.

He added that both Israeli planes and their crews returned safely to their base.

two state colleges as one unit because of the geographic proximity.

## Sees Big Enrollment

He said these four sites are related to areas of greatest population growth. He predicted an enrollment of 90,000 in the four schools by 1965.

Walker said the community colleges would offer technical training and liberal arts on a two-year basis. They also would offer the first two years toward a degree for students wishing to go on to a regular college or university.

Cost of new building construction for the program was estimated by Walker at about 14 million dollars. He said an additional \$2, 100,000 annually would be required from the state to operate them.

The State Chamber of Commerce said support for community colleges should come primarily from tuition charges and the local community.

## Color Stylists Brighten Factories Across U.S.

By SAM DAWSON  
AP Business News Analyst  
NEW YORK (AP) — Color is spreading from the products you buy to the machines that make them and to the factories where they are produced.

Merchants have long known that color can affect sales volume — both the hue of the product itself and its packaging and display.

Next business learned that white-collar workers were depressed or pepped up by the color of their offices. And the right tints were sought to get the maximum of work.

### Stylists Pop Up

From that business went on to the equipment that office workers use. The gadgets now may be blue, green or red instead of the once standard black or dark gray. Also the paper and forms they fill out increasingly take on pastel shades.

Color stylists have popped up across the land to counsel businessmen on how factories and other business buildings should look, outside and in.

As just one example, out of many, Howard Ketchum, Inc., recently styled a factory this way: At one end the interior wall was finished in medium light green with contrasting areas of deep red. The machinery was red, too. Moving along the interior the colors varied from the green to neutral beige, and finally, soft yellow and blue.

### Utilitarian Sometimes

Sometimes color is used for very utilitarian purposes. In chemical or pharmaceutical plants pipes and valves carrying steam will all be painted one color, water pipes another, and individual colors will be selected for oil, compressed air, distilled water or gas.

Endicott Johnson, shoe makers, developed yellow rubber boots for the Argonne laboratories to be worn by workers in radiation-contaminated areas. The idea was that if the worker wears the boots outside of the contaminated area, he has given himself away at once to anyone else around.

Red is used in many factories to mark danger points. But it has customer appeal, too. The Bell Telephone Co. is turning out red phone booths for sidewalk installation in New York City, believing the color will attract passers-by to make impulse calls to friends or office.

### Outside Hues Bright

The outside of business structures are taking on many hues. Porcelainized stainless steel curtain walls can be seen in checkerboard patterns in black and orange, in colored stripes, mosaics, polka dots and fabric effects. Green glass or bronze or gold-toned buildings are to be found.

Republic Steel's Truscon divi-

sion used color for community relations. It used stainless steel curtain walls finished in dark blue porcelain for its research center in a Cleveland, Ohio, suburb that might have been dismayed if an old-fashioned business building had popped up there.

Color stylists say that once factory corners were deliberately painted dark to hide any accumulating dirt. Now they are being painted in bright colors for the opposite reason—to check up on sweepers' diligence.

## ROCKEFELLER IS AVAILABLE FOR "DRAFT"

By ROBERT T. GRAY  
ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller was offering himself as a reserve candidate for the Republican nomination for president today but there was no discernible sign he would be called to active duty.

Rockefeller said Wednesday he would accept a draft to run as GOP candidate for president, a development possible only if the party rejects Vice President Richard M. Nixon.

But Rockefeller agreed with the almost unanimous view that Nixon's nomination "obviously is to be expected."

### Nixon Has Enough

Nixon remains the party's only declared candidate. He has more than enough votes, by unofficial count, to win nomination on the first ballot.

Nixon also has the backing of President Eisenhower.

Rockefeller's current assets as a contender for the nomination consist of the assumption he would get all 96 of New York's convention votes plus one Arkansas vote pledged to him and a New Jersey vote promised if a floor fight developed.

A majority of 666 of the 1,331 delegates will be needed for nomination at the convention which opens July 25 in Chicago.

### Remote Possibility

Basically, Rockefeller's entire strategy is keyed to the possibility, however remote, that something might happen between now and convention time to turn the party away from Nixon.

"These are very fast changing times," Rockefeller told a news conference he held after explaining his position to a meeting of Republican county chairman and the state party's executive committee.

Rockefeller sees himself as a

## CONVENTION SLATED FOR ABBOTTSTOWN

ABBOTTSTOWN — Rev. Dr. Allen S. Meek, president emeritus of the Theological Seminary of the Evangelical and Reformed Church, Lancaster, will deliver the main address during the Christian education convention at St. John's Lutheran Church Sunday afternoon, June 5.

Dr. Meek served pastorates in Ephrata, Easton and York before becoming president of the seminary in 1947. He served also as president of Merceburg Synod and moderator of the General Synod of the Evangelical and Reformed Church.

Christian education leaders in churches throughout Adams County are expected to participate. Other members of churches in the area are invited to attend the program which will be from 2 until

candidate the party could turn to if Nixon were forced to drop out of the running. The governor will not speculate on what he considers possible developments that could affect Nixon's position. And, the governor said, he will neither encourage nor authorize any campaigning in his behalf.

4 p.m.  
Rubbish was collected throughout the town Wednesday.

The Abbottstown Lions Club will sponsor a Little League and Pony League this summer. Any boy interested in playing, between the ages of 8 to 15 inclusive, are asked to report at the ball diamond.

Harry Crawford and James Gross attended the state Lions convention at Philadelphia Sunday, Monday and Tuesday.

A regular meeting of the Lions Club will be held at the Altland House tonight.

One hundred twenty-three persons attended the family night banquet of the United Church of Christ. The meal was served by the ladies of St. John's Lutheran Church in the parish hall last Saturday night. After the meal several persons entertained with songs and pantomime and prizes were awarded to Mr. and Mrs. Emory Alwine for the couple being married the longest, 51 years, nine months; Mrs. Mabel Moul, largest number of children attending; Mr. and Mrs. Wayne Mummert, couple married most recently, and for having the youngest child present.

Mr. and Mrs. Elmer Butt and Mr. and Mrs. Charles Slothour spent Friday with friends in Lancaster.

Mr. and Mrs. Charles Slothour and Mr. and Mrs. John Lillich visited in Ambler over the weekend. The Volunteer Circle Class of

## More Pa. Police Pension Money Out

HARRISBURG (AP) — Distribution of an additional \$1,254,610 to communities in 26 counties for police pension funds was announced Wednesday by Aud. Gen. Charles C. Smith.

The allocations by counties: Cameron \$2,263; Carbon \$22,341; Centre \$17,006; Chester \$67,508; Clarion \$6,348; Clearfield \$17,477; Clinton \$11,606; Columbia \$16,493; Crawford \$21,989; Cumberland \$47,862; Dauphin \$106,565; Delaware \$272,214; Elk \$11,661; Erie \$122,053; Fayette \$61,767; Franklin \$20,420; Fulton \$716; Greene \$3,512; Huntingdon \$7,511; Indiana \$14,556; Jefferson \$13,397; Juniata \$649; Lackawanna \$133,325; Lancaster \$80,135; Lawrence \$42,322; Lebanon \$32,908; Lehigh \$98,933.

### SANDS IN AIR FORCE

SAN ANTONIO, Tex. (AP) — Singer Tommy Sands is due here Friday to start eight weeks of Air Force basic training.

Lackland Air Force Base said Sands will get four months additional training after basic, and then will go a reserve squadron in the Los Angeles area.

St. John's Lutheran Sunday School was entertained by their teacher, Miss Elsie E. Eisenhart, at her home Monday evening. There were 20 members present.

## Pa. Compensation Fund Has Balance

HARRISBURG (AP) — Pennsylvania's unemployment compensation fund, at an all-time low of 43 million dollars last year, now has a balance of 101 million dollars, reports the secretary of labor and industry.

William L. Batt Jr. said the reserve, reported as of Wednesday, does not include the 97 million dollars loaned to the state by the federal government when the fund dipped so low in 1959.

He said employer-paid unemployment tax increases enacted by the Legislature have strengthened the fund considerably.

## 4 Airplanes To Aid State Police

HARRISBURG (AP) — State Police patrols will be assisted by four airplanes in controlling traffic during peak periods of the Memorial Day holiday weekend.

Colonel Frank G. McCartney, state police commissioner, said on Wednesday every available trooper will be on the highway duty during the three-day period.

The aircraft will operate from Harrisburg, Johnstown, and Ambler and will report their observations to ground patrols by radio.

Hoagy Carmichael wrote "Star dust" in 1927.

HERSHEY, Pa. — Beautiful girl dancers, acrobats and aerialists are one of the features of the Greatest Show on Earth, Ringling Bros. & Barnum & Bailey Circus, which will play the Hershey Sports Arena Friday, Saturday and Monday.

Eva Nemidi (above) is shown climbing her swaying ladder to her high perch where she will perform for circus fans.

# Littlestown OFFICERS OF CHAPTER ARE INSTALLED

Installation of officers took place at the semi-monthly meeting of the Eta Tau chapter of the Beta Sigma Phi sorority held on Tuesday evening at the home of Mrs. John F. Feeser Jr., Knob Hill, near town. Mrs. Albert J. Bair, retiring vice president, installed the following: President, Mrs. Feeser; vice president, Mrs. Harold R. Hand; recording secretary, Mrs. Gene R. Renner; treasurer, Mrs. Richard D. Thomas; Miss Charolyn Groft is the retiring president.

The Exemplar ritual degree was given to the following eligible members, led by Mrs. Bernard W. Little: Mrs. Feeser, Mrs. Renner, Mrs. Thomas and Mrs. Clyde W. Crouse.

Mrs. Bair presided for the business and heard the reports of Mrs. Renner, secretary and Mrs. Miles R. Fasnacht Jr., retiring treasurer. The ways and means committee chairman, Mrs. Crouse, reported that the fund raising project of a mink stole dinner will be held October 15, at 6:30 p.m. in the social hall of Redeemer's United Church of Christ. Tickets are \$10 per couple. Various door prizes and the stole will be awarded following dinner. Mrs. Renner and Mrs. Fasnacht were named auditors.

**Names Committees**

The new president named the standing committee chairmen to include: Social chairman, Mrs. Bair; program, Miss Charolyn Groft, chairman, and Mrs. Thomas Little; ways and means chairman, Mrs. Crouse. Two guests Mrs. James Carpenter and Miss Nadine Crouse, were welcomed.

The cultural program on "Art" was presented by Mrs. Feeser, who served refreshments during the social hour which followed. The next regular meeting of the chapter will be held on Tuesday, September 13. Monthly socials will be held during the summer and details will be announced later.

**Scouts On Picnic**

Fly-up Girl Scout Troop 61 enjoyed a picnic on Saturday morning, concluding the weekly meetings until fall. The Scouts, accompanied by Mrs. George Schaefer and Mrs. Carroll E. Arter, leaders, and Miss Grizelda Hahn and aides, went to St. John's Church Grove, near town. The girls presented gifts to the troop aides, who will no longer be working with the troop. Day camp registration blanks were distributed and they should be filled out and returned as soon as possible to the leaders or the Adams County Council office.

The weekly public party will be held by the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 at 8 p.m. on Friday in the social room of the F.O.E. Home, W. King St.

**Plan Annual Banquet**

The Frogtown Homemakers will have their annual banquet on Saturday at 6:30 p.m. in the social hall of Grace Lutheran Church, Two Taverns.

# Warehouse Is Destroyed By Fire

WEST CHESTER, Pa. (AP)—A fire destroyed a furniture warehouse and temporarily halted commuter train service to Media Wednesday.

Fire Chief Edward Chapman declared the blaze at the sprawling building of J. P. Stillwell & Sons, a moving and storage company, under control when the flames had ceased to threaten neighboring houses and buildings.

The Pennsylvania Railroad cut off power on the line to Yeadon, Lansdowne, Clifton Heights, Moylan and Media as a precaution. The warehouse was along side the PRR tracks.

Some 150 firemen from 15 companies fought the blaze which sent columns of smoke visible several miles into the sky. Several residents from nearby houses fled with their possessions.

The cause was not immediately determined, nor was a damage estimate given.

# Brown Walks To Get Public Opinion

LOS ANGELES (AP)—Gov. Edmund G. Brown, encouraged by his first poll-taking safari, plans walking tours in at least five more California cities to find the popular Democratic choice for president.

The Democratic governor said he found an apparent strong preference for Adlai G. Stevenson and Sen. John F. Kennedy of Massachusetts.

Stevenson ran strong downtown. But Kennedy was a favorite in Long Beach, mostly among the older women.

# HIRES MAN TO KILL HIS WIFE

LOS ANGELES (AP) — Police say a young husband admits he hired a youth to kill his estranged wife—because he didn't want to pay her child support payments. The plot failed.

Both were arrested Wednesday and booked on suspicion of conspiracy to commit murder.

Police said Collins J. Williams, 21, hired Larry E. Butler, 18, for \$400 to kill Linda Williams, mother of his son.

A motel manager reported Butler to police because he thought his girl companion was underage. Police arrested Butler and a 14-year-old runaway girl, and in his room found a letter describing the plot.

Williams' wife was reported in Las Vegas, Nev., getting a divorce.

Beamer, a majorette with the Littlestown High School Blue Band, are invited to register on Saturday morning between 9 and 12 at the engine house. Miss Beamer studied with the Burg Sisters and Rae Zartman and attended the Red Lion baton twirlers camp. Additional information may be secured by calling 323.

Prizes will be awarded and refreshments will be available at the weekly public party in St. Aloysius Hall at 8 p.m. on Saturday evening. Paul E. Altoff heads the committee in charge of arrangements and Mrs. John Todt is chairman of the refreshment committee.

tail on the May 1 U2 incident which Soviet Premier Nikita Khrushchev cited as a reason for breaking up the summit meeting.

# Knew Of Flights

He said Khrushchev knew of similar flights when the Soviet Premier visited this country last year and "he did not then see any reason to refuse to confer with American representatives."

Replying to Democratic and other critics who have said such flights should not have been made just before the summit meeting, Eisenhower said:

"As to the timing, the question was really whether to halt the program, and thus forego the gathering of important information that was essential and that was likely to be unavailable at a later date. The decision was that the program should not be halted."

# Defends Aerial Espionage

He did not specify what information was being sought at the time.

The President again defended the security of the United States and its allies because it provided information on Soviet military developments. But he said that U2 missions were only "one of many methods we have used to keep ourselves and the Free World abreast of major Soviet military developments."

Eisenhower said Khrushchev's action at Paris last week perhaps had "turned the clock back in some measure." But all that happened in Paris must not be written "in red ink," he said, for some of the things should be "written in black."

On the positive side he said that Khrushchev "did not go beyond invective" in denouncing the United States, in breaking up the summit meeting and in canceling Eisenhower's trip to the Soviet Union next month. What he seemed to be suggesting was that Khrushchev had not actually changed any basic Soviet policy.

chorus, directed by Miss Mary Moore, will sing "Friendship" and "The Lord's Prayer."

Members of the class will be presented for their certificates by the three elementary principals, C. William Settle, Wilson D. Wenk and Lewis M. Bosserman. The class will be addressed by Superintendent Donald B. Hudson who then will present the promotion certificates. Charles L. Yost, the high school principal, will formally accept the class. The benediction by the Rev. Mr. Marden and the recessional will conclude the program.

The sixth grade pupils are:

# MR. PRESIDENT

by Patrick and Vinmont

WILLIAM HENRY HARRISON

Born in Berkeley, Virginia, February 9, 1773. At 18 he discontinued his study of medicine at Hampden-Sydney College, obtained a commission as ensign in the U. S. artillery and was assigned to Fort Washington. He campaigned with "Mad" Anthony Wayne against the Indians to win the Ohio valley for peaceable white settlement.

At 26 he was elected territorial delegate to Congress and a year later appointed governor of the Territory of Indiana. In 1811 he led the troops in the famed battle against the Indians at Tippecanoe. As chief in command of the army of the northwest, with rank of major general in the War of 1812, he carried the war into Canada and defeated the British and Indians in the Battle of the Thames.

He resigned from the army in 1814 and subsequently served as a member of Congress from Ohio, as a member of the Ohio Senate, United States Senator and Minister to Colombia. He was defeated for President in the election of 1836. He returned to North Bend, Ohio to work his farm but unable to make a living, he took employment as a clerk of the Hamilton County Court. From that modest post he was elected to the Presidency, 1840, the longest stride forward in political records.

Inaugurated the ninth President of the United States, March 4, 1841, he was taken ill and died in the White House one month later, aged 68.

# DANIEL WEBSTER

Born in Salisbury, New Hampshire, 1782. He graduated from Dartmouth College, 1801, studied law in Boston and was admitted to the bar in 1805. Two years later he was well established in practice in Portsmouth.

At 31 he entered politics and for forty years was prominent in national affairs as a member of the United States House of Representatives and the United States Senate. Webster (pictured above) was also Secretary of State in the cabinet of three Presidents—Harrison, Tyler and Fillmore. He was a brilliant orator and possessed remarkable talents as a debater. He was opposed to the extension of slavery and his efforts on compromise measures postponed for many years the outbreak of war between the States. He died, 1852.

Thwarted repeatedly in his hope to be President, he missed his chance when he turned down the offer of the Vice-Presidency in 1840. Tyler, who accepted the nomination, became President on the death of Harrison, one month after the inauguration of 1841.

# MRS. WILLIAM HENRY HARRISON

Born in 1775, daughter of a New Jersey Supreme Court judge, Anna Symmes was married at twenty to Captain William Harrison. For forty-five years, she encouraged her husband's career but strongly objected to his presidential candidacy on the grounds of their age—she was 62, he, 68. Too ill to attend the inauguration, she sent her daughter-in-law, Mrs. Jane Findlay Harrison. Making preparations, a month later, to go to Washington, she received word of her husband's death. She died in 1864.

# MORE OBSTACLES

LOS ANGELES (AP)—The City Council has approved the tract map of the Dodger ballpark project in Chavez Ravine, but it will be some time yet before the club gets the stadium.

The Dodgers still must get a conditional use permit because a city law prohibits construction of a stadium of more than 3,000 without a permit.

There is enough living saw timber standing in California forests today to build 35 million new houses.

## GET 3 WEEKS TO SEEK NEW MURDER TRIAL

CAMDEN, N.J. (AP) — Judge Edward V. Martino of Camden County Court has given the prosecution and defense three weeks to file memorandums on the appeal for a retrial of three Camden men convicted of first degree murder.

Wayne Godfrey, 30; Sylvester Johnson, 24; and Stanley Cassidy, 28, Camden Negroes, were returned here Monday from the death house in New Jersey State Prison for the appeal.

All were convicted in the killing and alleged robbery of Camden toy store operator Edward Davis in January, 1958.

Representatives of the New Jersey Citizens Against the Death Penalty told the court the group hopes by financially supporting the defense to keep the men alive until New Jersey changes its laws to wipe out the death penalty.

The State Supreme Court granted the three a stay of execution April 1, 18 hours before they were to die in the electric chair. Edward Kent, a Levittown lawyer who became interested in the case, said he had new evidence.

## Taneytown

The annual banquet and dance of the Taneytown High School Alumni Association will be held Saturday evening, June 4, in the Taneytown High School. Letters have been sent to all known alumni at their last reported address giving details of the association's activities as well as notice of the banquet. Reservations must be made by May 31 with Miss Nancy Keefe, Taneytown, Md., and should be accompanied by names, address, class and payment in full.

The evening will begin with a fried-chicken banquet served family-style by the Ladies' Auxiliary of the fire company. Following the program there will be reminiscing and dancing to the music of "The Diamonds," a ten-piece musical group. Any alumnus who has not received notification should contact Miss Keefe immediately by letter or phone.

Officers and board of directors of the association are: Robert Waddell, chairman; Nancy Keefe, secretary; Donald Lawyer, treasurer; JoAnn Dougherty, historian; Elizabeth Baumgardner, Pearl Bollinger, James Fair, Doris Harner, John M. Skiles and Leonard Wantz Jr.

Other events planned for the balance of the year include a beach outing at Beverly Beach

### Four-Year-Old Boy Drowns In Ditch

LANCASTER, Pa. (AP) — A four-year-old boy drowned Tuesday when he stepped into a large water-filled ditch at a sewer construction project in nearby Man-

Eugene Ormandy conducting a concert of Bach, Beethoven, Liszt and Wagner.

heim Twp.  
The victim was Daniel W. Yo-baugh Jr. A companion, Richard Long, 5, told his mother he threw a stick in the "pool" and Daniel went to retrieve it. The pool turned out to be eight feet deep.  
Workmen called by the boys' mothers pulled the child's body from the ditch.

## WANTS ACTORS TO IMPROVE IN HOMEY SKILLS

By CYNTHIA LOWRY  
AP TV-Radio Writer

NEW YORK (AP)—When ambitious actors and actresses have some time to spare, they scurry back to school. They take acting lessons, voice lessons, diction lessons, dancing lessons, fencing lessons—all designed to make them better craftsmen.

Better, I say, they should take sewing lessons, knitting lessons, driving lessons, cooking lessons. It's their lack of skills in these homey areas which are often more distracting than the fact their voice is pitched too high or too low.

Just take the business of knit-

ting in this age of the television closeup. The actress is rocking comfortably, plying her needles and carrying on a neighborly chat. But usually, although the needles are flying, it is obvious that they aren't really knitting anything. One wonders often, too, how long the button would stay on when the heroine is sewing—or rather only making gestures with a thread and needle.

### First Things First

Often the viewer can't listen to the dialogue because of fascination with the way the heroine is whipping up a meal in her kitchen. She gives the cake batter a stir and a half. She pours it into an ungreased pan. And she certainly doesn't really wash dishes clean enough to suit me.

I think it's nice when a fast gun wins the Arthur Murray dance contest with his jitterbug, or when a private eye turns a figure eight on an ice rink or when a dramatic heroine carries a tune publicly—but first, let's get some of these every day skills nailed down convincingly. Please.

on July 17, wiener roast on August 15, public card party on October 13, and the Thanksgiving dance on Thanksgiving night.

Recommended tonight: Philadelphia Orchestra, CBS, 10-11—

# FISTS FLY IN PARLIAMENT

ANKARA, Turkey (AP)—A wild fist fight broke out Wednesday between opposing deputies in Parliament over Premier Adnan Menderes' strong man policies. It came as Menderes was reported ready to ease his clamp-down on the opposition People's Republican party.

The fight started when Deputy Askim Gulek denounced Menderes' ruling Democratic party. He charged its policies had abolished freedom of speech in Turkey.

Democrats raced toward Gulek and fists flew in a 10-minute melee. Order was restored when the speaker of the chamber called a short recess.

At least seven Republicans required first aid after the battle. An equal number of Democrats also suffered bruises and minor injuries.

# U.S. LIED ABOUT U2 TO ASSIST PILOT ESCAPE

WASHINGTON (AP)—A White House aide says the United States first lied about the U2 plane to give pilot Francis G. Powers a chance to escape.

Robert E. Merriam, deputy assistant to the President, Tuesday gave that version of the incident to the women's division of the Capitol Hill Club, a Republican group.

After the Soviet Union reported that a plane had crossed its borders, the National Aeronautics and Space Administration and the State Department said that a U2 plane on a weather reconnaissance flight, was missing.

When the Soviets then announced the plane had been shot down and the pilot captured, the State Department admitted the plane had been on an espionage flight.

Merriam said Powers was under instructions to try to escape if he was forced down. He had elaborate equipment to do so, the White House aide said.

Merriam said the weather story was released to help Powers get out of the country if he were still alive.

Merriam did not say who had made the decision to make up the weather flight story. ball, Robert Weigle, Fred Starnor, George Miller, Tom Roth, Charles Gembe, Tom Hardy, Spencer Stambaugh, and track, Steven Chronister, Kenton Taylor.

# EVERY TURN IN WEATHER BRINGS WINCE

HARRISBURG (AP)—Every time there's an usual turn in the weather the state forests and waters secretary winces.

Secretary Maurice K. Goddard outlined his "complaint against weather in almost any form" in a statement Tuesday.

"Until late January, we had almost a snowless winter—very hard on the first weeks of operation at the state's new winter sports park at Denton Hill.

"Then we had plenty of snow, which was fine for Denton Hill, but it brought the possibility of floods. We closed the flood gates on our flood control dams, covering some of our state parks with several feet of water.

"As spring approached, we had several weeks of warm, dry weather, which was wonderful for construction in the state parks, but we were plagued with forest fires.

Forest Fires Near  
"And now, as the forest fire season draws to a close we have had nearly two straight weeks of rain playing hob with our construction work."

Goddard cited these specific difficulties at various state parks, due to the weather:

Gifford Pinchot, York County—Road work delayed for nearly two weeks which may delay the opening past July 15.

Sizerville, Potter County—Construction of swimming pool delayed, opening still scheduled for July 2.

Sinnemahoning, Cameron County—Beach area still covered by four feet of water after flood gates had been closed to prevent flooding on west branch of the Susquehanna.

Bendigo, Elk County—12 supply inlets to the new swimming pool snapped in soggy ground, park cannot be opened by Memorial Day.

GUILD REJECTS NEW CONTRACT  
HOLLYWOOD (AP)—Members of the television branch of Writers Guild of America, West, have rejected the latest contract offer of theatrical and television producers.

The 281-196 rejection vote left unsettled a strike which began Jan. 16. Some TV studios have run short of scripts and switched to reruns to bridge the gap.

Television writers have been demanding a share of foreign sales in their new contract.

The offer rejected today was submitted jointly by the Association of Motion Picture Producers and the Alliance of Television Producers. It called for establishment of a study committee to set up a royalty system to give writers a percentage of worldwide gross receipts.

Lily Langtry, English actress of the 1880s who was known as "the Jersey Lily," was the daughter of a clergyman.

## Excerpts From Letters A Fellow Never Receives

By HAL BOYLE

NEW YORK (AP) — Excerpts from letters people hope to get—but never do:

"Dear Sir: We are collecting wives for a living museum of American womanhood in this century, but find ourselves short of a wife who married in 1937.

"It has come to our attention that you have a live wife of this vintage. If she is in reasonable condition, we are prepared to offer you \$10,000 a year for five years to exhibit her on an international tour.

"Naturally—in her absence this money will be paid to you, and—"

"Dark Rock"

"Dear Sir: We are enclosing the 'dark rock' you complained about biting into recently while eating some oysters on the half-shell in our restaurant.

"We trust you will consider dropping your \$500 damage suit against us, as we have had this so-called 'rock' checked by a jeweler who assures us it is a rare black pearl worth at least \$7,500 wholesale, so—"

"Dear Sir: I have reconsidered the matter of making you a new upper plate and decided it would be a waste of your money.

Say "Mississippi"

"Your present dentures are holding up quite satisfactorily. You are doing so well with them that I think you should no longer have any hesitation in chewing an apple, eating corn on the cob—or even saying 'Mississippi' in public.

"Until your next checkup in six months—"

"My dear son: Remember Effie Dillmire, that pretty little girl who stood you up the night you were supposed to take her to the senior high school prom?

"She dropped by to see me this week, and I don't know anyone that time has been more unkind to. Poor thing. She looks so fat and old.

"My Delphiniums—"

"Perhaps your own mother

shouldn't be the one to tell you this, but I had the distinct feeling that Effie, who has so much to be grateful for (she has five children now and her husband at least has a steady job with the city), has been eating her heart out for you all these years. Oh, well.

"My delphiniums are—"

"Dear Sir: As per your instructions, our securities analysts have inspected the bedroom your late father papered with the oil stocks he bought in 1927 and decided were worthless.

"We are prepared to offer you \$25,000 for the stock on the north wall, \$17,500 for the stock on the south wall and \$5,000 each for the stocks on the east and west walls.

Hope For Stocks

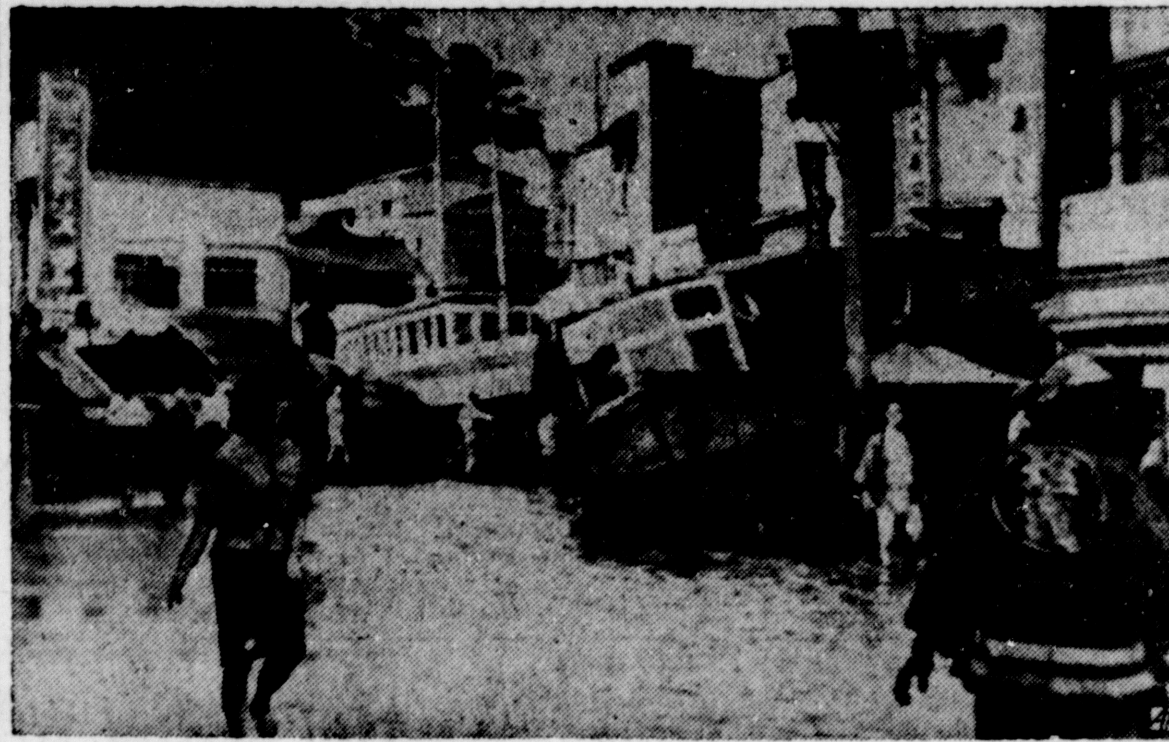

"Unfortunately, at present the stocks used to paper the ceiling seem to be of lesser value. But on the other hand we are hopeful that in time—"

"Dear Jack: The dean wrote me you were falling behind in your grades, and I got to wondering whether it might be because you were wearing yourself out walking to and from classes.

"The office just promoted me to vice president, and things aren't so tight, so I thought if you still wanted that little foreign sport car, your mother and I would be glad to—"

A disappointed gold prospector in 1851 started a laundry in Oakland, Calif., to make "eating money." His clean shirts campaign earned him a fortune he didn't find in his futile search for gold.

## CARRIER AND GERMAN SHIP CRASH AT SEA

NORFOLK, Va. (AP)—The aircraft carrier Saratoga and the West German merchant ship Berndt Leonhardt collided 200 miles east of Cape Henry Tuesday night, the Navy reported Wednesday.

No one was hurt on either ship.

The carrier came into Hampton

Roads and the freighter proceeded toward Baltimore, Md.

Both ships were damaged in the collision which occurred about 7 p.m.

The Saratoga's jet fuel lines were ruptured, starting a fire which was quickly extinguished. Her catwalks and one of her sponsons were heavily damaged and one of her masts was overboard.

Carrier Sideswiped

A spokesman at Atlantic Fleet Headquarters said the Saratoga was sideswiped on her port side. The destroyer Stribling escorted the merchant ship from the collision area to the Virginia Capes.

Then the merchantman headed toward Baltimore.

The 60,000-ton Saratoga is the largest aircraft carrier ever built—slightly larger than the Forrestal, first of the super carriers.

The ship is 1,040 feet long with a 248-foot beam and carries 100 aircraft.

Normal complement is 3,500 officers and men. The ship is commanded by Capt. Alan F. Fleming.

Oil composes 92 per cent of the exports of Venezuela. About 64 per cent of its imports come from the United States.

## JAP LEFTISTS DEMONSTRATE AGAINST U. S.

TOKYO (AP) — Thousands of young leftists snake-danced around Prime Minister Nobusuke Kishi's home Wednesday in the sixth straight day of demonstrations against the Japanese leader and the military ties with the United States which he espouses.

Estimates of the throng ranged from 5,000 to 8,000.

Arms locked four abreast, the youths—members of labor unions, the Socialist party and left-wing student groups—stampeded like cattle through the narrow lanes of the usually quiet residential district.

Shout At Police

"Go away watchdog!" they shouted to 80 police who massed in front of the flimsy wooden gate of Kishi's home. "Down with war criminal Kishi! Crush the U.S.-Japan security pact!"

Their aim was to bring down the Kishi government, defeat the U.S.-Japan security pact in the Senate and force President Eisenhower to cancel his visit to Japan next month.

Etsuro Shiina, chief Cabinet secretary, said that the government has no intention of asking Eisenhower to cancel his visit.

The demonstrators flaunted labor union flags and carried candlelit paper lanterns and placards. Many were girls.

## Meet Happy!

(HE'S THE NICEST THING THAT EVER HAPPENED TO YOUR CAR)

1. "Happy" is no ordinary oil drop. He's an oil drop with a mission.

2. He's Esso's cheerful symbol of Happy Motoring.

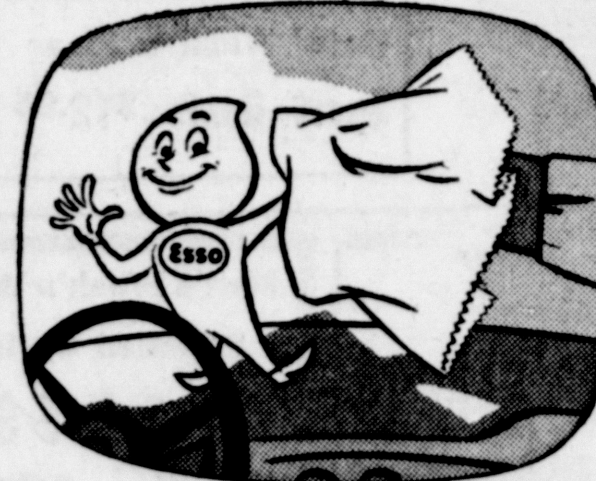

3. He tries to do what his name implies: Bring Happy Motoring to millions.

4. He works with your Esso Dealer to bring you fine products and services.

5. You count on him for outstanding gasolines and motor oils. And that's not all!

6. He stands for all the helpful services you expect! Like cleaning your windshield...

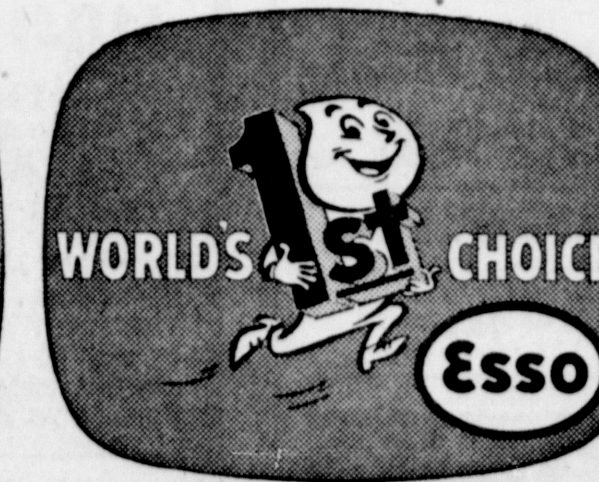

7. He helps to make sure the oil, water and battery are in tip-top shape.

8. He even knows how clean and tidy restrooms make you "feel at home".

9. He's "on duty" at Esso Dealer Stations everywhere. There's one near you.

10. In fact, Happy Motoring is one big reason why the Esso Sign is "World's 1st Choice!"

**FRIDAY FARE**  
A make-ahead salad.  
Cream of Tomato Soup  
Crackers  
Egg and Caper Salad  
Buttered Toast Beverage  
Fruit and Cookies

**EGG AND CAPER SALAD**  
Ingredients: 6 hard-cooked eggs, 2 teaspoons tarragon vinegar, ¼ teaspoon prepared mustard, ½ teaspoon salt, ½ teaspoon white pepper, mayonnaise or mayonnaise-type salad dressing, 1 tablespoon drained capers, salad greens, extra capers, French dressing.  
Method: Cut eggs in half lengthwise; remove yolks. Mash yolks with vinegar, mustard, salt, pepper and enough mayonnaise to moisten and give good flavor. Stir in capers. Spoon back into white cavities. Cover and refrigerate until serving time. Arrange on salad greens with extra capers and serve with French dressing. Makes 4 servings — 3 egg halves to a portion.

**SATURDAY BREAKFAST**  
Berries with Cream  
Ham and Eggs  
Smith Club Whole-wheat Bread Beverage

**SMITH CLUB WHOLE-WHEAT BREAD**

Ingredients: ¼ cup pineapple syrup (from canned pineapple), ¼ cup boiling water, ½ cup sliced dried apricots, 1 cup sliced pitted dates, 1 egg, 1¼ teaspoons salt, 1 teaspoon vanilla, 1½ cups stone-ground whole-wheat flour, 1½ teaspoons double-acting baking powder, ½ cup chopped walnuts.  
Method: Heat together pineapple syrup and boiling water to boiling; pour over apricots and dates; let stand until cool. Beat egg until thick with salt and vanilla. Stir in fruit mixture. Stir flour and baking powder together; add with nuts; mix well. Turn into buttered small loaf pan (about 8 by 4 by 3 inches); bake in slow (250 degrees) oven until cake tester comes out clean — about 1 hour. Turn out on wire rack; cool. May be sliced thin shortly after baking.

**SUNDAY SUPPER**  
Nice for a change!  
Chicken Chow Mein Rice  
Asparagus Salad  
Strawberry Floating Island Beverage

**CHICKEN CHOW MEIN**  
Ingredients: 4 tablespoons vegetable oil, 2 cups thin onion strips, 2½ cups thin green celery crescents, 1 teaspoon salt, 2 tablespoons sugar, 1½ cups clear chicken stock, 1 car (1 pound) bean sprouts, 3 tablespoons cornstarch, 3 tablespoons soy sauce, 2 cups

diced cooked chicken, 1 can (5 ounces) water chestnuts (drained and sliced), 1 can (3 ounces) chow mein noodles.

Method: Heat oil in 12-inch skillet over low heat; mix in onion and celery; sprinkle with salt and sugar. Add chicken stock. Cover and boil gently about 10 minutes. Drain bean sprouts. Mix cornstarch and soy sauce until smooth with ¼ cup of bean liquid. Add to skillet; cook and stir until thickened. Add drained bean sprouts, chicken and water chestnuts; mix and reheat. Serve with chow mein noodles heated in a moderate oven for 5 minutes. Makes 4 large or 6 medium servings. Note: If gravy is too thick add a little stock or bean sprout liquid; if too thin stir in a little cornstarch smoothed in a little cold bean liquid and cook until clear.

**MORMON BRANCH GROWS INDEPENDENCE, Mo. (AP)**—The Reorganized Church of Jesus Christ of Latter Day Saints, at its world conference here, reported a 23 per cent increase in membership since 1950 — to a total of 175,000. The denomination represents Mormons who broke away from the larger Latter-Day Saints church in 1860, and remained in the Midwest, while the larger body shifted its headquarters to Salt Lake City, Utah.

The Haydn Museum in Vienna, in memory of Franz Joseph Haydn, was reopened recently upon the 150th anniversary of the composer's death.

## Magazine Distributors Plan Anti-Obscenity Law

An anti-obscenity law that would rid Pennsylvania's newsstands of indecent publications has been drafted by the leading periodical distributors of the U.S. and Canada, according to Leroy E. Smith, of the L. E. Smith Wholesale Distributor. The distributors have model obscenity legislation and will submit it to state senators and representatives for consideration and enactment into law.

Smith is a member of the Council for Periodical Distributors Associations, parent organization for eight distributor associations whose 850 members supply 130,000 newsstands in the U.S. and Canada with magazines, paperback books and newspapers and its committee on legislation.

"The council's legal committee prepared this model bill after more than three years of investigation into the complex problems of obscenity. Particularly now, there is an urgent need in this state for modern legislation that conforms with recent rulings by the U.S. Supreme Court," Smith said.

**Declared Unconstitutional**  
"Obscenity laws in a number of

states and cities have recently been declared unconstitutional," he explained. "Indiana, Illinois, Los Angeles and Chicago are just a few examples of places where laws were overturned as a result of two significant decisions by the Supreme Court. The first of these was Roth vs. U.S. in 1957, in which the high court ruled that a 'community's' contemporary standards must be taken into consideration in obscenity suits. Then in 1959, the Supreme Court stated that 'prior knowledge' of the contents of a publication must be proven in order to obtain a conviction against the seller (Smith vs. California).

"The provisions of our model statute are in accord with these rulings by the high court. The bill is designed, therefore, to stand the test of obscenity conviction appeals — where many present laws are now failing."

**Aid To Prosecutors**  
The CPDA proposed bill would give public prosecutors the means to take obscenity complaints to court for speedy action, Smith pointed out.

In a typical case, the prosecutor may seek a "show cause" or-

## 183 JAPS DIE IN TIDAL WAVE

TOKYO (AP) — Japan and the Western Pacific Wednesday reckoned its toll from the Chilean tidal wave at 183 dead or missing and property damage in the millions of dollars.

As Japanese villagers began returning to their shattered homes some of those previously reported missing were turning up.

The alert was canceled in Japan, hardest hit in Asia by the savage onslaught from the sea early Tuesday.

The Philippines reported heavy damage to crops and property but no apparent loss of life.

No further casualties were reported from Formosa or Okinawa, where three persons were killed when a 6-foot wall of water rolled into the east coast. The rice crop was seriously damaged.

Japanese police reported 95 dead, 85 missing and 854 injured, 2,621 ships sunken or washed out to sea, 4,079 homes destroyed, 41,800 flooded, dykes broken at 80 places and 251 bridges wrecked.

At least 150,000 persons were still homeless.

der requiring the publisher — whether a resident of the particular state or not — to show cause why his publication should not be judged obscene. After a six-day waiting period, during which the defendant may respond to the court, a hearing would be set to determine the fitness of the work. If a publication is judged obscene, its future distribution or sale would subject the violators to stiff penalties.

The local distributor stated that provision is also made in the CPDA statute for extradition of nonresident publishers or distributors who send publications into the state which have been judged unfit.

**Legal Angles Vary**  
"We recognize that legal technicalities vary from state to state and while our statute could be adopted in its present form, it was made flexible enough to be adjusted for the individual needs of a particular state."

"It is our hope to see this bill — or one patterned after it — become a law in Pennsylvania. Then our law enforcement officials will be properly equipped to wage an effective fight against those peddlers of smut that are now disgracing the periodical industry — the disreputable publishers and their 'fly-by-night' distributors. That group should be held responsible for their own unwholesome creations instead of decent publishers and distributors who supply the American public with the overwhelming majority of its reading matter," Smith added.

## Hilo Smashed By Tidal Wave

Autos tossed about like matchsticks amid the debris of broken buildings attest to the fury of four tidal waves that hit Hilo, Hawaii. The waves, generated by earthquakes in Chile 6,200 miles away, took at least 33 lives, injured scores of others and damaged property to the extent of millions of dollars in Hilo. (AP Wirephoto)

## LIONS HONOR YORK RESIDENT

PHILADELPHIA (AP)—Charles W. Mowery, York, has been nominated as a candidate for director of Lions International.

Mowery was nominated Tuesday at the 37th annual state convention of the Pennsylvania Assn. of Lions

Clubs. Elections will be held at the international convention. Eleven district governors were elected for one-year periods starting in July. They included:

Charles W. Avery, of Jermyn, for the Scranton, Wilkes-Barre area; Norman A. Cook, Levittown, for the Philadelphia area; James T. Huntermark, Pittsburgh; J. Robert Meyers, Lemasters, for the York, Cumberland, Adams County area; Walter A. Welsh, Douglassville, for the Lancaster

Reading area. Paul O. Luce, Perryopolis, for Westmoreland and Fayette counties; Raymond M. Hodge, Sharpsville, for Erie, Meadville; Francis E. Powers, Harrisburg, for Harrisburg and Williamsport; Forrest L. Cropp, Tionesta, for Clearfield, DuBois, Bradford; William J. Roberts, Weatherly, for Allentown, Bethlehem, Easton, Stroudsburg; Leslie Blackburn, Everett, for the Altoona, Everett, Bedford County area.

## Gives Advice On Care Of Horses

BURLINGTON, Vt. (AP) — People who own horses should show horse sense in taking care of the animals during the winter months.

Dr. James Wadsworth of the Vermont Extension Service says horses need daily exercise when stabled for the winter.

"They need to move around more than do other types of live stock," he adds. "Exercise stimulates thirst and appetite, so plenty of fresh water as well as proper rations must be provided."

If horses cool off too rapidly after winter exercise, he says, "stiff muscles, cold or even pneumonia may set in. Always cover a horse with a blanket after exercise."

### SPITTING ON A STONE?

Ever try spitting on a stone to ease pain? Sounds foolish, nowadays. But a long time ago folks actually used this "remedy." We're lucky to be living in this age of modern medicine. Medical science has given us many wonderful pain relievers and other reliable, effective drugs. However, it's still not wise to use any medication indiscriminately. When you don't feel up to par, ask your physician's advice first. Then, if he prescribes medication, come to us. We'll fill his prescription promptly and carefully.

# U.S. Togetherness Lasted Less Than Week; Politicos Resume Their Lambasting

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP) — Togetherness lasted less than a week.

Democrats and Republicans, in a moment of bewildered silence which they called a united front, rallied behind President Eisenhower when Premier Nikita Khrushchev humiliated him and wrecked the summit meeting.

But politics and the upcoming elections got the better of them.

Khrushchev performed on Monday, May 16. The togetherness here lasted until Thursday when it must have become suffocating to Adlai Stevenson. He attacked Eisenhower. Things got back to normal fast.

Now Democrats disagree with Democrats, Republicans with Republicans. And Democrats and Republicans are charging each other with being "soft on communism," a phrase not heard much since the days of Sen. Joseph McCarthy.

**Attacked By Adlai**  
This a kind of bonus for Khrushchev.

Stevenson, who may once again get the Democratic nomination, said that while Khrushchev smashed the summit, Eisenhower handed the Soviet Premier a "crowbar and sledgehammer" through his administration's handling of the spy plane incident.

He said it was the obligation of the Democrats to expose and criticize any carelessness and mistakes by the Eisenhower administration.

# SENATE FAILS TO OVERRIDE RECENT VETO

WASHINGTON (AP) — Some Democrats claimed a new election campaign issue today in President Eisenhower's successful veto of a bill to aid depressed areas.

The Senate voted Tuesday to sustain Eisenhower's May 13 veto of the 251-million-dollar economic assistance measure.

The vote was 45 to override and 39 against. The 45 votes were 11 shy of the two-thirds majority needed to pass a bill over a veto.

Forty Democrats and five Republicans voted to override. Twenty-five Republicans and 14 Democrats supported Eisenhower. The Democrats included 12 Southern senators and Sens. Frank J. Lausche of Ohio and J. Allen Frear Jr. of Delaware.

**"Election Issue"**  
Sen. Paul Douglas (D-Ill.) said Democrats will make an election issue of the bill's defeat as did Sen. Joseph S. Clark (D-Pa.).

All three senatorial contenders for the Democratic presidential nomination—Lyndon B. Johnson of Texas, John F. Kennedy of Massachusetts and Stuart Symington of Missouri—voted to override.

Sen. Everett M. Dirksen of Illinois, the Republican leader, questioned whether the Democrats sincerely wanted a bill passed. The President said the measure

an uproar by declaring Stevenson and Kennedy should be summoned before congressional investigators "to relieve themselves of the gross suspicion of appeasement."

**Denies He's Appeaser**

Kennedy strode into the Senate, denied he was an appeaser. Scott said he'd accept Kennedy's say-so. But another Democrat, Sen. John A. Carroll of Colorado went after Scott. He accused him of playing raw politics.

Some Democrats wanted a Senate investigation of the spy plane disaster and the summit debacle. Some Republicans didn't. But some did. A New York Democrat, Rep. Samuel A. Stratton, deplored the action of the 30 Democrats who want Eisenhower to answer eight questions.

Sen. Mike Mansfield (D-Mont.) said Dirksen insinuated the Democrats, if elected next fall, would be "soft on communism." Paul Butler, chairman of the Democratic National Committee, said the Eisenhower administration had "too soft a policy toward Russia" for two years.

# Long Beach Harbor Is Disaster Area

LOS ANGELES (AP) — Los Angeles-Long Beach harbor, hard-hit by waves and tides, has been declared a disaster area.

Donald McLarnan, regional director of the Federal Small Business Administration, said Tuesday owners of moorings, landing docks and boat repair businesses can apply for government loans to repair damage. Individual boat owners are not eligible.

Search is continuing for a skindiver, Raymond Stuart, 30, of Torrance, who disappeared Monday about the time Chilean earthquakes sent the first big tides surging into the harbor area.

**BONN, Germany (AP) —** Chancellor Konrad Adenauer flew to Italy Wednesday for a vacation on Lake Como with this advice to West German newsmen: "Occupy yourselves now with the American election. They are going to be very interesting." The 84-year-old head of the West German government did not explain his remark.

was too broad and wasteful, and sent it back with the admonition that there is time yet to work out an acceptable substitute. The administration is backing a 180-million-dollar measure, but both sides have expressed doubt a new bill will be passed this year.

The Republicans who voted to override the veto were Sens. Kenneth B. Keating and Jacob K. Javits of New York, John Sherman Cooper of Kentucky, Hugh Scott of Pennsylvania and Margaret Chase Smith of Maine.

# SATO STUDIES COMMUNISM'S THREAT IN ASIA

WASHINGTON (AP)—Top military advisers of the eight-nation Southeast Asia Treaty Organization begin a reassessment Wednesday of the Communist threat in Asia following collapse of the Paris summit meeting.

Assembled here for the 12th SEATO military advisers conference were three admirals, three generals and two air marshals with their staffs, representing the senior military leaders of Britain, France, Australia, New Zealand, the Philippines, Thailand, Pakistan and the United States.

The alliance is pledged to resist aggressive Communist expansion in the treaty area which includes Viet Nam, Laos and Cambodia under SEATO's mantle of protection.

**Convene May 31**  
The military men are charged with turning out a report for the guidance of foreign ministers of the eight countries who convene here May 31.

Many of the SEATO military planning staff consider the possibility of a Chinese Communist-directed move against Viet Nam and Laos to be heightened. Reports of reinforcements to Chinese Communist garrisons and air bases rimming the Chinese Nationalist islands of Quemoy and Matsu also are being weighed.

Argentina derives its name from silver (argentum).

# Paroled Mental Patient Who Killed Two Found Wounded

COOPERSTOWN, Pa. (AP)—A former mental patient sought in the slayings of his wife and a neighbor was captured Tuesday as he sat propped against a tree trunk, wounded by his own shotgun.

A search party, the last to be sent out before darkness, came across Lloyd E. Shuffstall, 51, in a wooded area about one mile from his home near this northwestern Pennsylvania hamlet.

The lower part of Shuffstall's chin was shot off. Weakened by loss of blood, he offered no resistance. His capture ended an intensive 17-hour manhunt.

**No Motive Known**  
State Police Capt. John Chrin quoted the unemployed foundry worker as saying he shot himself shortly after the double slaying early Tuesday. The victims were Shuffstall's wife, Vera Rose, 47, mother of 10, and Harold Dupont, 43-year-old machinist.

Dupont was ambushed and shot on a dirt road more than one mile from the Shuffstall home. Mrs. Shuffstall was killed in the bedroom of her home.

A motive for the slayings has not been established, state police said. However, they added that a son, 24-year-old Derald, told them Dupont had been "keeping company" with Mrs. Shuffstall some time ago.

**Released Week Ago**  
Shuffstall, released from a mental institution only a week ago, was treated at Franklin (Pa.) Hospital. He was then lodged in

Venango County jail at Franklin. State police said Shuffstall signed a statement admitting the slayings. Chrin said two charges of murder will be filed.

State police gave this account of the shooting:  
Shortly after midnight, Shuffstall piled several logs across a muddy, dirt road frequently used by Dupont. He then lay in wait for Dupont.

**Seemed Relieved**  
A short time later Dupont drove his car to the log barrier. When he got out, a shot hit him in the chest. Shuffstall then went home and shot his wife.

Two daughters, Donna, 14, and Doris, 7, telephoned their brother, Derald, who lives nearby. He alerted state police.

After the slayings, Shuffstall left the death weapon behind and fled into a heavily-wooded area with a .12 gauge shotgun.

He kept one jump ahead of pursuers throughout the day. When captured, Chrin said Shuffstall seemed relieved.

Dr. Robert H. Israel, superintendent at Warren State Hospital, said Shuffstall was placed on parole from the institution May 17 after a six-month stay. He said Shuffstall was a cooperative patient.

Christopher Columbus is believed to have been a weaver (his father's profession) before he became a sailor-explorer.

# ASK FREE CITY COLLEGES IN PA.

HARRISBURG (AP)—The American Jewish Congress has urged legislation to eliminate discrimination in Pennsylvania colleges and universities.

Benjamin B. Levin, president of the Delaware Valley Council of the American Jewish Congress, made the request to the task force on higher education of Gov. Lawrence's Committee on Education.

"The practice or policy of discrimination against individuals or groups, by reason of their race, color, religion, ancestry or national origin is a matter of concern to the Commonwealth," he said.

Levin also said Pennsylvania should assure its youth as extensive an education as their abilities permit by creating:

Free city colleges and junior colleges throughout the state.

More state institutions like Pennsylvania State University.

An expanded loan and scholarship program, and more funds for state-aided institutions.

**JAILED IN STAMP THEFT**  
NEW YORK (AP)—A mail clerk who cheated his brokerage firm of an estimated half-million dollars in postage stamps has been sentenced to 2½ to 3½ years in prison.

General Sessions Judge Mitchell D. Schweitzer Tuesday sentenced Charles A. Willis, 56, after his lawyer pleaded that he had made \$22,000 in restitution.

Police said Willis sold stamps which had been purchased with company money.
